From the Depths of Despair to the Promise of Presence Joel Barker, 2014-01-20 For decades the prophetic book of Joel has been the focus of scrutiny that belies its brevity. It captures readers with its vivid descriptions of locusts and military invasion and the distress that they cause. It then reveals the concern of YHWH for the covenant community as it systematically reverses the crises that it announces. The book of Joel also offers a window into the rhetorical function of the day of YHWH as it uses the phrase to announce both judgment and restoration. Reflecting the creativity of the Old Testament prophetic spirit, the book then guides its readers from utter anguish to the hope of restoration rooted in the presence of YHWH. *From the Depths of Despair to the Promise of Presence* delves into Joel's rhetoric and explores the ways in which it seeks to persuade its audience to adopt its perspective in order to respond to a time of crisis. Barker evaluates the state of the discussion surrounding Joel's composition and relationship to the Book of the Twelve. He develops a model of rhetorical criticism that builds on the foundations of previous approaches and proposes modifications that address the specific challenges posed by the book of Joel. He then puts this model into practice and demonstrates that the book of Joel moves from scenes of devastation to promises of restoration in articulating the necessity

of calling and relying on YHWH in all circumstances He explores the persuasive potential of Joel by focusing on its rhetorical structures and strategy He examines the way the book of Joel engages its audience and guides the people to realize that they must turn to YHWH so that YHWH will turn and bring restoration From the Depths of Despair to the Promise of Presence invites the reader to enter into the world of Joel It calls the reader to experience the ways in which the book of Joel intertwines threats of destruction and the hope of renewal in order to reveal the character of YHWH *Read & Pray & Then Obey* Lindsay Roberts,2016-01-22 You can give your day a power boost from God s Word with Lindsay Roberts 31 day devotional With her love for the Word of God and an appreciation for seeing God s wisdom and power operating in the everydayness of life Lindsay shares 31 days of encouraging Biblical inspiration that you can use in your Bible study prayer time and other areas of your life Devotionals include devotionals such as Knowing Who You Are in Christ Staying in God s Secret Place The Double Miracle of Forgiveness From Devastation to Restoration You can enjoy the power of God daily through the Bible His living Word Lindsay believes God gave His Word to be a practical guide for everyday living with power in every verse and chapter to help you grow stronger in the Lord each day **The Review of Reviews** William Thomas Stead,1906 Pathway to Freedom Gloria J. Kelsey,2022-11-30 Gloria Kelsey has experienced several traumatic events in her life including a near death experience at birth an abusive and toxic marriage and the death of her two children Walking through the chapters of her life you will discover how unresolved trauma built strongholds of insecurity fear and rejection within her soul Agreeing with an oath of secrecy and suppressing negative emotions caused physical and psychological distress blocking the healthy flow of energy within her body and creating an environment for disease to exist and develop As Gloria travelled the healing path she learned that many diseases originate from traumatic situations and that emotional memories from painful events were stored in her brain and at the cellular level of her body along with the anger grief and stress associated with those events Living in a toxic marriage caused Gloria to come into agreement with a casualty covenant that brought reality into being negating God s Word and impeding her body s ability to heal As she allowed the Lord to navigate her through the healing process by dealing with the roots fruit and effects of emotional and psychological trauma the ticking bomb of unprocessed trauma was diffused The Lord brought healing to her spirit soul and body giving her the freedom to cross over Jordan and come into her divinely appointed destiny David's Flight: Hunted by King Saul Ahmed Musa,2024-12-13 A king s jealousy A young hero s courage A flight for survival that would shape a destiny David the anointed future king of Israel was once the favored son in law of King Saul But when jealousy and fear took hold of Saul s heart David s world turned upside down Suddenly the very man who had once called David a friend became his fiercest enemy David s Flight Hunted by King Saul takes you deep into the wilderness of Israel where David pursued by a paranoid king learned the hard lessons of faith patience and reliance on God As Saul s relentless pursuit brought David into dangerous situations he was forced to flee for his life yet through it all God s protection and purpose for David s future never wavered In David s

Flight Hunted by King Saul you will discover The dramatic shift in David s life from the champion of Israel to a fugitive on the run and how this change challenged his faith and trust in God The complexities of Saul s jealousy and fear and how those emotions blinded him to God s will for his kingdom and David s role in it The powerful moments when David though hunted and betrayed refused to take matters into his own hands waiting for God s perfect timing for his elevation to the throne The emotional and spiritual growth David experienced in the wilderness where God taught him invaluable lessons about humility leadership and dependence on divine guidance The encouragement and inspiration we can draw from David s refusal to retaliate against Saul showing the power of forgiveness and trust in God s justice David s flight wasn t just about physical escape it was about spiritual survival and preparation for a future he didn t yet understand Every cave he hid in every battle he fought and every moment of vulnerability shaped him into the leader God intended him to be Through betrayal hardship and seemingly impossible odds David s heart was tested and it was in the wilderness where God refined his character Have you ever felt hunted or betrayed by someone you trusted How does David s story challenge you to wait on God and trust His protection even in the darkest times David s story teaches us that even in our lowest most desperate moments God is with us preparing us for what lies ahead Trusting His timing and His purpose will always lead us to the victory He has promised Step into David s Flight Hunted by King Saul and learn from the remarkable resilience of a young man who refused to let fear or hatred turn him away from his calling When God is with us no enemy can prevail our journey through the wilderness is never in vain

Last Stop Before Antarctica Roland Boer, 2008 While biblical scholars increasingly use insights from postcolonial theory to interpret the Bible the Bible itself is often neglected by postcolonial criticism with the result that there is little influence in the other direction from the Bible to postcolonial criticism This second

edition of *Last Stop before Antarctica* begins to repair the imbalance by pointing to the vital role that the Bible played in colonization using Australia one of the first centers of postcolonial criticism as a specific example Drawing upon colonial literature including explorer journals poetry novels and translations it creates a mutually enlightening dialogue between postcolonial literature and biblical texts on themes such as exodus and exile translation identity and home [Beyond Well-Being](#) Martin Dowson, Stuart Devenish, Maureen Miner, 2012-08-01 This volume arose out of a deep concern to assist people in their struggle to lead a flourishing life Fractured stressed relationally broken and spiritually empty people may instinctively reach for the supposed panacea of happiness But happiness is often a transitory state More stable and worthwhile than the pursuit of happiness is leading a flourishing life But what is flourishing Is spirituality necessary for human flourishing and if so in what ways might spirituality provide a unique and important contribution to flourishing The volume provides complementary yet diverse accounts of human flourishing Each account argues that spirituality in general and Christian spirituality in particular are vital contributors to flourishing The volume will be valuable for those who are dissatisfied with popular hedonistic approaches to flourishing Such people are ready for a change in approach but often do not have a clear alternative in view The Volume will provide a clear alternative to popular culture s representation of the flourishing person which is largely vested in conspicuous consumption The book will also be valuable for those who have considered alternatives to popular culture but who lack an informed basis on which to evaluate these alternatives Finally the book will be valuable for those who are committed to Christian spirituality but may not appreciate the rich resources which Christian faith offers for human flourishing Amongst the latter group are included Christian leaders such as priests and pastors voluntary church workers and lay people who may or may not be involved in formal religion but who long to flourish in their own lives and to enable others to do the same
