Anna Jo Keller

From Glasnost To Freedom Of Speech:

From Glasnost to Freedom of Speech David Wedgwood Benn, 1992 *Political Discourse in Transition in Europe 1989-1991* Paul Chilton, Mikhail V. Ilyin, Jacob L. Mey, 1998-03-15 The year 1989 brought political upheavals in Central Eastern and Southern Europe the effects of which have not yet ended The political discourse of the Cold War period disintegrated and gave way to competing alternatives The contributors to this book are linguists discourse analysts and social scientists from all corners of the continent whose tools of analysis shed light on the crucial two years of transition during which political concepts and political interaction changed in dramatic and sometimes violent ways **The Gorbachev Factor** Archie Brown, 1997-08-07 To understand this singular man the reader can do no better than to turn to Archie Brown's astute and lucid book There have been several excellent works on Mr Gorbachev but none examines the subject as thoroughly as this volume a rich study as impressive in its sweep as in its details Abraham Brumberg New York Times Archie Brown's book is not only a richly researched easily readable biography of Gorbachev himself It should be studied at once in every diplomatic service worthy of the name starting with our own Foreign Office Michael Foot Evening Standard Archie Brown has mastered the material and met the people he writes with a historical perspective unavailable to authors of the instant biographies which appeared while Gorbachev was in power Rodric Braithwaite Financial Times Archie Brown's closely reasoned book makes a better case for Gorbachev's record as a reformer than Gorbachev's own memoirs the most thorough exposition of Gorbachev's domestic political record yet to appear Jack F Matlock Jr New York Review of Books This Oxford don for years one of the world's most talented Kremlinologists has already found the memoirs documents and interviews that allow him to provide a remarkably detailed and authoritative account of the key moments in Gorbachev's career Robert G Kaiser Washington Post It is hard to come away from this admirable book without an affection for Gorbachev's insistence on peaceful change his willingness to let Eastern Europe go and his determination to nurture a pluralist culture Nick Cohen Observer Brown's latest book is the product of many years of intensive research it proves to be the most detailed and revealing study of the man who revolutionised the USSR Excellent Good Book Guide **The Legacy of Soviet Dissent** Robert Horvath, 2013-05-13 During the 1970s dissidents like Sakharov and Solzhenitsyn dominated Western perceptions of the USSR but were then quickly forgotten as Gorbachev's reformers monopolised the spotlight This book restores the dissidents to their rightful place in Russian history Using a vast array of samizdat and published sources it shows how ideas formulated in the dissident milieu clashed with the original programme of perestroika and shaped the course of democratisation in post Soviet Russia Some of these ideas such as the dissidents' preoccupation with glasnost and legality and their critique of revolutionary violence became part of the agenda of Russia's democratic movement But this book also demonstrates that dissidents played a crucial role in the rise of the new Russian radical nationalism Both the friends and foes of Russian democracy have a dissident lineage Understanding Russian Politics Stephen White, 2011-03-31 A fresh and

compelling interpretation of Russian politics by a leading authority this textbook focuses on political developments in the world's largest country under Putin and Medvedev. Using a wealth of primary sources it covers economic, social and foreign policy and the system of politics that has developed in recent years. Opposing arguments are presented and students are encouraged to reach their own judgements on key events and issues such as privatisation and corruption. This textbook tackles timely topics such as gender and inequality issues, organised religion, the economic crisis and Russia's place in the international community. It uses numerous examples to place this powerful and richly endowed country in context with a focus on the place of ordinary people which shows how policy is translated to Russians' everyday lives.

Soviet and Russian Press Coverage of the United States Jonathan A. Becker, 2016-01-05 This book examines changing Soviet and Russian press coverage of the United States from the emergence of Mikhail Gorbachev through the presidency of Vladimir Putin. A new afterword focuses on recent developments in the Russian media and Russian press coverage of the terrorist attacks of September 11, 2001. Becker argues that due to the absence of a language to support the reform strategy the Soviet press presented positive images of its chief ideological and military opponent the United States as a means of supporting political, social and economic reform. He suggests that the end of the Cold War and the emergence of a more self-confident Russia means that the symbolic and discursive significance of the United States for Russia has diminished.

After Newspeak Michael S. Gorham, 2014-04-11 In *After Newspeak* Michael S. Gorham presents a cultural history of the politics of Russian language from Gorbachev and glasnost to Putin and the emergence of new generations of Web technologies. Gorham begins from the premise that periods of rapid and radical change both shape and are shaped by language. He documents the role and fate of the Russian language in the collapse of the USSR and the decades of reform and national reconstruction that have followed. Gorham demonstrates the inextricable linkage of language and politics in everything from dictionaries of profanity to the flood of publications on linguistic self-help, the speech patterns of the country's leaders, the blogs of its bureaucrats and the official programs promoting the use of Russian in the so-called near abroad. Gorham explains why glasnost figured as such a critical rhetorical battleground in the political strife that led to the Soviet Union's collapse and shows why Russians came to deride the newfound freedom of speech of the 1990s as little more than the right to swear in public. He assesses the impact of Medvedev's role as Blogger in Chief and the role Putin's vulgar speech practices played in the restoration of national pride. And he investigates whether Internet communication and new media technologies have helped to consolidate a more vibrant democracy and civil society or if they serve as an additional resource for the political technologies manipulated by the Kremlin.

Introduction to Media and Politics Sarah Oates, 2008-02-18 a lively introduction to media and politics with timely chapters on the media war and terrorism and the internet. If you want to know why media matters in politics this is a great place to start. Dr Margaret Scammell, London School of Economics and Political Science. This book has the truly international perspective that helps to put politics and media in the context of current world events, a unique and valuable

text Professor Lynda Lee Kaid University of Florida a new and promising perspective to the study of media and politics in a comparative dimension Professor Paolo Mancini Universit di Perugia Introduction to Media and Politics draws together evidence from the United States the United Kingdom Russia and beyond to provide students with an understanding of the relationship between the media and the political sphere This highly accessible text balances theory with case studies on elections war terrorism and the emerging role of the Internet enabling the reader to think critically about how the media should work in the service of democracy places the study of media and politics in a comparative perspective allowing the reader to consider how the same media institutions including commercial and public service broadcasting paid political advertising and war coverage function in different countries This text is essential reading for advanced undergraduate and postgraduate students of media and politics

The New Russia Mikhail Gorbachev, 2016-06-08 After years of rapprochement the relationship between Russia and the West is more strained now than it has been in the past 25 years Putin s motives his reasons for seeking confrontation with the West remain for many a mystery Not for Mikhail Gorbachev In this new work Russia s elder statesman draws on his wealth of knowledge and experience to reveal the development of Putin s regime and the intentions behind it He argues that Putin has significantly diminished the achievements of perestroika and is part of an over centralized system that presents a precarious future for Russia Faced with this Gorbachev advocates a radical reform of politics and a new fostering of pluralism and social democracy Gorbachev s insightful analysis moves beyond internal politics to address wider problems in the region including the Ukraine conflict as well as the global challenges of poverty and climate change Above all else he insists that solutions are to be found by returning to the atmosphere of dialogue and cooperation which was so instrumental in ending the Cold War This book represents the summation of Gorbachev s thinking on the course that Russia has taken since 1991 and stands as a testament to one of the greatest and most influential statesmen of the twentieth century

Moral Lessons of the Twentieth Century Mikhail Gorbachev, Daisaku Ikeda, 2005-05-11 Mikhail Gorbachev and Daisaku Ikeda are contemporaries raised in different cultures Gorbachev is a statesman whose origins are the Marx inspired world of communism while Ikeda is Buddhist inspired by the thirteenth century Japanese sage Nichiren Moral Lessons of the Twentieth Century emerged from a series of conversations between these two men Together they explore their experiences of life amidst the turmoil of the twentieth century and together they search for a common ethical basis for future development They conclude that values are born of culture and that peace progress and social justice can only be achieved through sincere communication and cultural exchange As the new century begins they have sought to turn the spotlight on the challenges which face humanity The book is a call for dialogue in pursuit of values that bridge culture and time

Mass Media and Political Communication in New Democracies Katrin Voltmer, 2006 This book examines how political communication and the mass media have played a central role in the consolidation of emerging democracies around the world Covering a broad range of political and cultural

contexts including Eastern and Southern Europe Latin America Asia and Africa this new volume investigates the problems and conflicts arising in the process of establishing an independent media and competitive politics in post autocratic societies Considering the changing dynamic in the relationship between political actors the media and their audience the authors of this volume address the following issues changing journalistic role perceptions and journalistic quality the reasons and consequences of persisting instrumentalization of the media by political actors the role of the media in election campaigns the way in which the citizens interpret political messages and the extent to which the media influence political attitudes and electoral behaviour the role of the Internet in building a democratic public sphere This book will be of great interest to all those studying and researching democracy and democratization comparative politics political communication journalism media and the Internet

Writing History in the Soviet Union Arup Banerji, 2017-08-18 The history of the Soviet Union has been charted in several studies over the decades These depictions while combining accuracy elegance readability and imaginativeness have failed to draw attention to the political and academic environment within which these histories were composed *Writing History in the Soviet Union Making the Past Work* is aimed at understanding this environment The book seeks to identify the significant hallmarks of the production of Soviet history by Soviet as well as Western historians It traces how the Russian Revolution of 1917 triggered a shift in official policy towards historians and the publication of history textbooks for schools In 1985 the Soviet past was again summoned for polemical revision as part and parcel of an attitude of openness glasnost and in this literary figures joined their energies to those of historians The Communist regime sought to equate the history of the country with that of the Communist Party itself in 1938 and 1962 and this imposed a blanket of conformity on history writing in the Soviet Union The book also surveys the rich abundance of writing the Russian Revolution generated as well as the divergent approaches to the history of the period The conditions for research in Soviet archives are described as an aspect of official monitoring of history writing Another instance of this is the manner by which history textbooks have through the years been withdrawn from schools and others officially nursed into circulation This intervention occasioned in the present circumstance by statements by President Putin himself in the manner in which history is taught in Russian schools continues to this day In other words over the years the regime has always worked to make the past work Please note Taylor Francis does not sell or distribute the Hardback in India Pakistan Nepal Bhutan Bangladesh Sri Lanka

International Relations Today: Concepts and Applications Aneek Chatterjee, 2010 Meant primarily for students studying international relations aspirants of civil services *International Relations Today Concepts And Applications* captures the drastic changes in international relations after the disintegration of the Soviet Union and the end of the Cold War in 1991 It also examines the rise of China as a major military and economic power and the potential of Russia India and Germany as tomorrow's big powers It will also be useful for those interested in the discipline

Party, State, and Citizen in the Soviet Union Mervyn Matthews, 1989 The command system has long pervaded nearly every area of Soviet life This volume

documents the prescriptions and proscriptions that have governed everyday life in the Soviet Union policies that are currently undergoing reexamination and revision Among the topics covered are voting and party organ [Safire's Political Dictionary](#) William Safire,2008 Featuring more than one thousand new rewritten and updated entries this reference on American politics explains current terms in politics economics and diplomacy *Soviet Press Coverage of the Chernobyl Accident* Anna Jo Keller,1997 **USSR: 1917-1991** A.J. Kingston,2023 Discover the captivating story of the Soviet Union with our book bundle USSR 1917 1991 The Rise and Fall of the Soviet Union Immerse yourself in the dramatic events ideologies and personalities that shaped one of the most significant political entities of the 20th century This comprehensive collection takes you on an insightful journey through the key periods and transformative moments in Soviet history Book 1 Building the Socialist State Industrialization and Collectivization in the USSR 1921 1932 explores the early years of the Soviet Union a time of immense ambition and radical transformation Dive into the efforts to industrialize a vast nation and witness the controversial implementation of collectivization as the Soviet Union strives to build a socialist society In Book 2 Cold War Chronicles The USSR and the United States in the Nuclear Age 1945 1962 experience the intense rivalry and global tensions that defined the Cold War era Uncover the intricate dynamics between the Soviet Union and the United States as they engaged in a high stakes ideological struggle nuclear arms race and proxy conflicts Book 3 Thawing the Iron Curtain The Soviet Union s Era of Destalinization and Khrushchev s Reforms 1953 1964 takes you through a period of significant change within the Soviet Union Witness the de Stalinization campaign led by Nikita Khrushchev and the subsequent thawing of political and cultural restrictions challenging the status quo and setting the stage for a new era Finally in Book 4 Perestroika and the Collapse of the Soviet Empire Gorbachev s Reforms and the End of the USSR 1985 1991 witness the remarkable rise of Mikhail Gorbachev and his ambitious reform agenda Explore the profound changes brought about by perestroika and glasnost and the subsequent unraveling of the Soviet Union that marked the end of an era This book bundle provides a comprehensive and engaging exploration of the Soviet Union s history taking you on a journey through its rise its role on the global stage and its eventual collapse It delves into the grand ambitions ideological struggles and human stories that shaped this complex and enigmatic nation Whether you are a history enthusiast a student of political science or simply curious about the fascinating story of the Soviet Union this book bundle is an invaluable resource Gain a deeper understanding of the political social and cultural forces that shaped the Soviet Union and its impact on the world Don t miss this opportunity to immerse yourself in the captivating story of the Soviet Union Order the USSR 1917 1991 The Rise and Fall of the Soviet Union book bundle today and embark on an unforgettable journey through one of the most compelling chapters in modern history *Russian Intelligentsia in the Age of Counterperestroika* Dmitri N. Shalin,2020-06-09 This book examines the phenomenon of intelligentsia as political discourse civic action and embodied practice focusing especially on the political agendas and personal choices confronting intellectuals in modern Russia Contributors explore the role of the

Russian intelligentsia in dismantling the Soviet system and the unanticipated consequences of the resultant changes which threaten the very existence of the intelligentsia as a distinct group Building on the legacy of John Dewey and Jürgen Habermas the authors make the case that the intelligentsia plays a critical role in opening communications widening the range of participants in public discourse and freeing social intercourse from the constraints nondemocratic political arrangements impose on the communication sphere Looking at current trends through a variety of different lenses this book will be of interest to those studying the past present and future of the Russian intelligentsia and its impact not only in Russia but around the world This book was originally published as a special issue of the Russian Journal of Communication

Soviet and Post-Soviet Identities Mark Bassin, Catriona Kelly, 2012-04-26 Since the Soviet Union collapsed in 1991 questions of identity have dominated the culture not only of Russia but of all the countries of the former Soviet bloc This timely collection examines the ways in which cultural activities such as fiction TV cinema architecture and exhibitions have addressed these questions and also describes other cultural flashpoints from attitudes to language to the use of passports It discusses definitions of political and cultural nationalism as well as the myths institutions and practices that moulded and expressed national identity From post Soviet recollections of food shortages to the attempts by officials to control popular religion it analyses a variety of unexpected and compelling topics to offer fresh insights about this key area of world culture Illustrated with numerous photographs it presents the results of recent research in an accessible and lively way [Internet in Russia](#) Sergey Davydov, 2020-03-13 This book presents an interdisciplinary analysis of the Internet in Russia and its impact on various aspects of social life The contributions discuss topics such as the features of the Russian media system and digitization processes the history of the Runet national Internet markets and the Internet economy as well as legal aspects By presenting the results of relevant case studies it illustrates the process of integrating the Russian segment of the Internet into the international system offering insights into various country specific features of the Runet's functioning and development The first part of the book focuses on the Internet in the context of development of the Russian media system with respect to historical features and digital inequalities The second part then discusses economic and legal aspects of the Runet while the third and the fourth parts offer an analysis of digital culture including the role of journalism and regional diversities as well as online representations and discussions The chapter Runet in Crisis Situations is available open access under a CC BY 4.0 license at link.springer.com
