

The background of the image is a photograph of a sunset or sunrise over a calm body of water. The sky is filled with soft, colorful clouds in shades of blue, purple, and orange. A long, dark pier extends from the right side of the frame towards the horizon. In the foreground, a single bird is visible swimming in the water. The overall mood is peaceful and contemplative.

From God To Us Revised and Expanded Norman L Geisler, William E. Nix, 2012-08-10 Where did the Bible come from How do we know the right books are in the Bible Does the Bible contain errors What are the oldest copies we have of the Bible How do we know that the Bible hasn't been changed over the years Why are there so many translations of the Bible and which one should I use These are just some of the important questions about the Bible that are discussed in this book Understanding basic facts about the origin of the Bible is essential for every Christian but it can also be confusing and difficult Here two well known scholars authors of a more technical book *A General Introduction to the Bible* explain simply and clearly these basic facts Inspiration the biblical canon major manuscripts textual criticism early translations and modern versions are some of the major topics discussed Careful explanations of important points are given throughout as the entire field of biblical introduction is covered Completely updated and revised edition of the 1974 work more than 78 000 copies sold Helpful charts have been added along with an index of subjects persons and Scripture This book is ideally suited for Bible students pastors and professors While writing for readers without previous training the authors do not gloss over difficult and complex issues when they arise The nature of inspiration the extent of the canon and the usefulness of modern versions are all clearly discussed The authors write The chain of communication from God to us is strong It has several solid links inspiration collection transmission and translations The strength of these links provide the contemporary Christian with the moral certitude that the Spirit inspired original text of Scripture has been providentially preserved by God so that for all practical purposes the Bible in our hands is the infallible and inerrant word of God Fun with Biblical Words Tom Hobson, 2024-08-27 This book puts you in the driver's seat as a reader of God's word no longer dependent on the Bible translation you may be using as we explore more than sixty biblical words where knowing a little Greek or Hebrew can make a remarkable difference in how we read passages which use those words Having enough options and enough data to make such translation choices for yourself can be fun **The Bible** William E.
