At the Heart of Teaching Grace Hall McEntee,John Appleby,JoAnne Dowd,Jan Grant,Simon Hole,Peggy C. Silva,Joseph Check,2003 Featuring engaging narratives this how to book delves into reflection as a concept and provides specific replicable tools for professional practice Each chapter draws on a particular school situation demonstrating the value of teacher reflection and describing the nuts and bolts of the process including protocols for handling many different circumstances At the end of each chapter I was dying to go back to the classroom and adapt a new idea into my practice But probably more importantly I saw my own practice in a new light as I read these engaging accounts of the work of other teachers They ring true and honest to what schooling is about and how and why good teachers never give up and why they love their work Deborah Meier Co principal of Mission Hill School and author of *In Schools We Trust*

Typical professional development fare will rarely take us close to the particulars of our own practice As I read through these chapters finally it's that sense of thoughtful becoming that possibility of action in the midst of uncertainty that at the end of the day is the promise of this book From the Foreword by Mike Rose
