From My Rocking Chair:

Splinters from My Rocking Chair Marcia J. Terpstra, 2011-10-27 This book is about the absolute raw pain of surviving through life after childhood incest The raw pain emotionally The raw pain physiologically The raw pain spiritually The raw pain mentally The raw pain physically The raw pain sexually The horrific damage done to one's entire soul This book is about surviving in a sphere far beyond just walking this earth This book is about the destruction done as a result of incest far beyond those physical moments of that touching This book is about the carnage left behind long after those moments of incest were over the touch was gone This book was written not only for incest survivors but also for those who are living with raw pain from abuse of any kind So survivors of all forms of abuse can tap into and embrace and validate their own life stories of abuse each one's individual feelings of raw pain no matter where they came from This book was written from a realm beyond a physical existence This book is written to tell the world that incest and abuse of any kind especially done to a child is a lifelong sentence Surviving after those moments of touch whether done once or a thousand times has the same impact Those moments of violation alter one's life and life choices FOREVER There is no such thing as living a life that remotely seems fair or just nothing even close to normal The changes of a healthy full life are stolen from you TAKEN It takes years to put the pieces together to make sense of any of it But only if you are fortunately enough to do so **Whispers from**

My Rocking Chair Marcia J. Terpstra, 2012-10 This book is about the LIGHT in my life This book is not my book It belongs to HIM After writing my first book and His book too *Splinters from my Rocking Chair* that depicts the very dark in my life as a result of incest I knew I had to write about the LIGHT in my life the LIGHT that saved me I lived in so much darkness through so much of my life as a result of incest but also because of my religious upbringing This upbringing promoted the casting out of so many and I bought into it I believed in them not HIM I then decided I had to stop fighting mankind and trying to prove my worthiness to them I went to the GOSPELS and there I found Jesus and that He was on my side not theirs He was against the so called religious He was on my side our side He sought after the broken and the sick and all those who were so lost He loved all those who had gone astray and the weak in spirit He went after those who needed HIM This book is about my walk with JESUS
