Gnosticism and the History of Religions David G. Robertson,2021-08-12 Building on critical work in biblical studies which shows how a historically bounded heretical tradition called Gnosticism was invented this work focuses on the following

stage in which it was essentialised into a sui generis universal category of religion. At the same time it shows how Gnosticism became a religious self identifier with a number of sizable contemporary groups identifying as Gnostics today drawing on the same discourses. This book provides a history of this problematic category and its relationship with scholarly and popular discourse on religion in the twentieth century. It uses a critical historical method to show how and why Gnosis, Gnostic and Gnosticism were taken up by specific groups and individuals, practitioners and scholars at different times. It shows how ideas about Gnosticism developed in late nineteenth and twentieth century scholarship drawing from continental phenomenology, Jungian psychology and post Holocaust theology to be constructed as a perennial religious current based on special knowledge of the divine in a corrupt world. David G. Robertson challenges how scholars interact with the category Gnosticism and contributes to our understanding of the complex relationship between primary sources, academics and practitioners in category formation.

The Development of the Characters of Lady Wisdom and Dame Folly in Judaic Literature, Ananda B. Geyser-Fouché, 2025-06-24. This book contributes to the knowledge in the studies of Judaic wisdom literature by covering a vast body of literature and analyzing and comparing several applicable texts within their contexts. It gives a comprehensive list of texts from the Judaic corpora that personify wisdom and/or folly; it interprets and engages all these texts in intertextual and extratextual studies. This study adds to the discussion on the characters and attributes linked to wisdom and/or folly; its development and the function or content of the concept of wisdom and/or folly. It covers a large field of contextualization and extratextual reading in the Judaic corpora and links it to the texts and the changes in the character of wisdom and/or folly. According to the author's knowledge, no previous single study has dealt with all these texts together. Furthermore, no previous detailed discussion on the development of the attributes and character of Lady Wisdom, Lady Folly exists. Previous studies also have not linked developments in the portrayal of Lady Wisdom, Lady Folly to differing contexts and/or ideologies. The comprehensive and encompassing study on the Lady metaphor in Judaic literature and the development of the Lady metaphor over the centuries in Judaic literature make this book a basic source for

Tobit Beate Ego, 2025-07-16 This commentary sets the ancient Jewish story of Tobit within a broad tradition historical context analyzing the conceptions of angels and demons it contains as well as its notions of ancient medicine together with its understanding of the Torah Presented along with this is a synchronically oriented interpretation of the whole text which shows that the narrative should ultimately be understood in terms of historical theology It reveals how in the days of Hellenistic rule ancient Judaism was able to cope with the threat from the aggressive politics of the empires Within this context the elderly Tobit's hymn of praise at the end of the narrative in Tob 13 opens a vista of hope for its addressees

The Christological Witness Function of the Old Testament Characters in the Gospel of John Sanghee M Ahn, 2014-06-01

This book investigates the narrative function of the Old Testament characters in the Gospel of John. The fascinating thesis is that the Hebrew characters in John's narrative uniformly function as a witness for the messianic identity of Jesus. The Jewish scriptural traditions, Hebrew and intertestamental ones, are compared to shed light on John's indebtedness for its formation of his Christology. A compelling argument ensues which informs our understanding not only of the Gospel itself but also of Jesus Christ revealed in the Gospel. **COMMENDATION** Dr Ahn's thorough and careful study represents a solid contribution from which many will benefit. All serious interpreters of the Johannine witness will want to refer to this work. Mark A Seifrid, Southern Baptist Theological Seminary USA

The Septuagint South of Alexandria, 2022-08-22 This volume tackles topics relevant to the study of the Septuagint and related fields of research such as the historical context of the Greek translations and texts, their anthropology, theology, language and reception, as well as the comparison of the Septuagint with other ancient translations and texts of its intellectual environment. The authors make contributions to the study of the texts themselves, their themes and theories in modern research on the ancient artefacts.

Perspectives on the Ending of Mark Maurice Robinson, Darrell L. Bock, Keith Elliott, Daniel Wallace, 2008-11-01 The debate continues among today's leading Bible scholars about the conspicuous exclusion of twelve verses 16:9-20 in the gospel of Mark from some early Greek manuscripts.

John 18:28-19:22 and the Paradox of Judgement Blake Wassell, 2021-02-15 In this study Blake Wassell applies new Roman and Jewish contexts to a Johannine ambiguity which is Pilate declaring Jesus both innocent and guilty of making himself King. Pilate repeats that he finds in Jesus no basis for the accusation and yet he also writes the content of the accusation in the inscription on the cross. The paradox leads readers into another paradox: they make themselves the accused as they make the accusation and Jesus conquers as he is conquered. The author analyses how they destroy the temple of his body so that he can raise it and how they exalt him so that he can reveal himself.
