Edmund Blunden:

Edmund Blunden Barry Webb, 1990 Edmund Blunden 1896-1974 ranks among the most prodigious literary talents of Britain in the twentieth century. As a poet, he was best known for *Undertones of War*, a moving account of the First World War by one of its youngest soldier-poets. But he was also a biographer, an editor, a scholar, teacher, and professor in Hong Kong, Japan, and Oxford. This book, the first biography of Blunden and written with the cooperation of his family, captures the man, his full career, and the literary environment in which he lived. Drawing from many thousands of Blunden's letters, diaries, and other personal papers, round the world as well as from interviews with friends and colleagues, Barry Webb traces the writer's boyhood in Kent, his two years in the trenches of the Somme and Passchendaele, and the career that extended from journalism in postwar London to the chair of poetry at Oxford in 1966. Blunden was the author of over a thousand poems, more than three thousand articles and reviews, and biographies of Shelley and Leigh Hunt, and he was the first major editor of John Clare and Wilfred Owen. Webb describes this active literary life and provides an account of Blunden's many influential friendships, with Siegfried Sassoon, for example, of his three marriages and seven children, and of the intriguing relationship with his Japanese secretary. He reveals Blunden to be a man of many contradictions: usually pictured as most at home on an English village green, he spent half his working life in the Far East; essentially a pacifist, he was the proud owner of the Military Cross; known for his generous mildness, he was accused of Nazi sympathies in 1939. At heart a private man, he was constantly in demand as a leader. Webb sees these tensions as providing the stimulus for the work and writing of a highly respected figure in twentieth-century literature, a man who had a profound effect on contemporaries in both the East and the West.

This military memoir from the six-time Nobel Prize-nominated poet and British WWI soldier is one of the permanent works engendered by the memories of war. Paul Fussell, National Book Award-winning author of *The Great War and Modern Memory*, took my road with no little pride of fear: one morning I feared very sharply as I saw what looked like a rising shroud over a wooden cross in the clustering mist. Horror. But on a closer study I realized that the apparition was only a flannel gas helmet. What an age since 1914. In *Undertones of War*, one of the finest autobiographies to come out of World War I, the acclaimed poet Edmund Blunden records his devastating experiences in combat. After enlisting at the age of twenty, he took part in the disastrous battles at the Somme, Ypres, and Passchendaele, describing them as murder, not only to the troops but to their singing faiths and hopes. All the horrors of trench warfare, all the absurdity and feeble attempts to make sense of the fighting, all the strangeness of observing war as a writer of being simultaneously soldier and poet pervade Blunden's memoir. In steely-eyed prose as richly allusive as any poetry, he tells of the endurance and despair found among the men of his

battalion including the harrowing acts of bravery that won him the Military Cross Now back in print for American readers the volume includes a selection of Blunden's war poems that unflinchingly juxtapose death in the trenches with the beauty of Flanders's fields *Undertones of War* deserves a place on the bookshelves of military buffs and poetry lovers *Edmund Blunden* Edmund Blunden, 1950 *English Poems, By Edmund Blunden* Edmund Blunden, 1925 *Edmund Blunden* Thomas Mallon, 1983 *The Bonadventure* Edmund Blunden, 1922 *The Poems of Edmund Blunden, 1914-1930* Edmund Blunden, 1930 **Fall In, Ghosts** Edmund Blunden, 2014-07-01 Edmund Blunden 1896-1974 moved among the ghosts of the Great War every day of his long life having survived the battles of Ypres and the Somme His classic prose memoir *Undertones of War* and his early edition of Wilfred Owen's poems were just two examples of the ways in which he sought to convey his war experience and to keep faith with his comrades in arms His poetry is suffused by this experience and he was haunted by it throughout his writing life as the men with whom he had served gradually joined the ranks of the departed This selection of Blunden's prose about the First World War includes the complete text of *De Bello Germanico* his first lively sketch of the war as he lived it in 1916 alongside other essays and reflections Deeply informed by his reading of eighteenth and nineteenth century literature and equally by his knowledge of the countryside Blunden's vivid prose summons up for us what was human and natural in that most unnatural of environments the battlefields of the Western Front **Selected Poems** Edmund Blunden, 2018-12-27 To mark the centenary of the First World War a *Selected Poems* of Edmund Blunden brings back into print the work of a major war poet and author of the classic memoir *Undertones of War* Edmund Blunden joined the Royal Sussex Regiment in 1915 and served in France and Flanders This selection of his poems includes a substantial sampler of his war verse the last poem he wrote was on revisiting the battlefields of the Somme And yet it is not easy to draw a line between the poems on war and those on other subjects so deeply did his wartime experience suffuse and haunt his writing Memories of what was shrieking dumb defiled constantly test a vision of faith life virtue in the sun Here is a poet of range and depth deserving of rediscovery **Poems** Wilfred Owen, 1931 *American and British Poetry* Harriet Semmes Alexander, 1984 **Blunden Papers** Edmund Blunden, 1951 The collection consists of holograph typescript manuscripts of Blunden's lecture notes essays speeches addresses and poems as well as correspondence with Sheila Yuan who was Blunden's secretary in the Department of English at the University of Hong Kong in the 1950s **A Selection from the Poems of Edmund Blunden** Edmund Blunden, 197? *Edmund Blunden, a Bibliography of Criticism*, 1983 *The Deceitful Calm* Edmund Blunden, Rennie Parker, Margi Blunden, 2006 The book contains a selection of poetry by Edmund Blunden
