Education In Transition The History Of Northern Illinois University:

Education in Transition Earl W. Hayter, 1974 The Management of Dissent Brian K. Clardy, 2002 The Management of Dissent is an analysis of the student protests on seven of Illinois public institutions of higher learning following the deaths of four students at Kent State University on May 4 1970 Author Brian K Clardy describes the nature of campus unrest on each particular campus as well as the unique reasons behind both their causes and ultimate resolution Clardy notes how state government officials held college presidents and administrations accountable for maintaining order This book plays a major role in adding a policy related dimension to the 1960s protest literature because it goes beyond a mere coverage of the major personalities of the period and focuses upon policy outcomes *Annual Report of the Northern Illinois University Libraries* Northern Illinois University. Libraries, 1978 **The Contested Murder of Latasha Harlins** Brenda Stevenson, 2013-08-15 In this book Stevenson explores the long simmering resentment within LA s black community that ultimately erupted in April 1992 by focusing on an preceding event that encapsulated the growing racial and social polarization in the city over the course of the 1980s and early 1990s the 1991 shooting of a fifteen year old African American girl Latasha Harlins by a Korean grocer who suspected Harlins of shoplifting **Teaching Children Science** Sally Gregory Kohlstedt, 2010-05-15 In the early twentieth century a curriculum known as nature study flourished in major city school systems streetcar suburbs small towns and even rural one room schools This object based approach to learning about the natural world marked the first systematic attempt to introduce science into elementary education and it came at a time when institutions such as zoos botanical gardens natural history museums and national parks were promoting the idea that direct knowledge of nature would benefit an increasingly urban and industrial nation The definitive history of this once pervasive nature study movement Teaching Children Science emphasizes the scientific pedagogical and social incentives that encouraged primarily women teachers to explore nature in and beyond their classrooms Sally Gregory Kohlstedt brings to vivid life the instructors and reformers who advanced nature study through on campus schools summer programs textbooks and public speaking Within a generation this highly successful hands on approach migrated beyond public schools into summer camps afterschool activities and the scouting movement Although the rich diversity of nature study classes eventually lost ground to increasingly standardized curricula Kohlstedt locates its legacy in the living plants and animals in classrooms and environmental field trips that remain central parts of science education today **Agricultural Libraries Information Notes** , 1977 Journal of the Illinois State Historical Society Illinois State Historical Society, 1977 Issue for Mar 1948 contains paper The Beginnings of Swedish immigration into Illinois a century ago by Conrad Bergendoff **Journal of the Illinois State Historical Society** , 1977 *The Publishers' Trade List Annual* , 1984 *Publications of the State of Illinois* , 1985 *American Universities and Colleges* James J.
