Eden Built By Eves:

Eden Built by Eves Bonnie J. Morris, 1999 Women's music festivals have been an integral part of both the shaping of lesbian culture and the emergence of women as a musical force. This new book takes the reader on a remarkable backstage tour of the rollicking legendary world of these festivals and presents an exhilarating insider's journey through this cultural phenomena that has made an important contribution to both musical history and women's history. *Eden Built by Eves* Bonnie J. Morris, 1999 A tribute to the work of thousands of women, this volume brims with candid backstage interviews with festival performers and producers, moving testimony and often hilarious anecdotes from festiegeers. A plethora of photographs, articles, comic strips, illustrations, and excerpts from festival literature provide a thorough explanation of the music relationships and issues that have shaped an entire generation of lesbian memories in America. **The Advocate**, 1999-06-22 The Advocate is a lesbian, gay, bisexual, transgender, LGBT monthly newsmagazine. Established in 1967, it is the oldest continuing LGBT publication in the United States. *Songs in Black and Lavender* Eileen M. Hayes, 2010-02-26 Drawing on fieldwork conducted at eight women's music festivals, Eileen M. Hayes shows how studying these festivals, attended by predominately white lesbians, provides critical insight into the role of music and lesbian community formation. She argues that the women's music festival is a significant institutional site for the emergence of black feminist consciousness in the contemporary period. Hayes also offers sage perspectives on black women's involvement in the women's music festival scene, the ramifications of their performances as drag kings in those environments, and the challenges and joys of a black lesbian retreat based on the feminist festival model. With acuity and candor, longtime feminist activist Hayes elucidates why this music scene matters. Veteran vocalist, percussionist, producer, and cultural historian Linda Tillery provides a foreword. **Music in Black American Life, 1945-2020**, 2022-08-23 This second volume of *Music in Black American Life* offers research and analysis that originally appeared in the journals *American Music* and *Black Music Research Journal* and in two book series published by the University of Illinois Press: *Music in American Life* and *African American Music in Global Perspective*. In this collection, a group of predominately Black scholars explores a variety of topics with works that pioneered new methodologies and modes of inquiry for hearing and studying Black music. These extracts and articles examine the World War II jazz scene, look at female artists like gospel star Shirley Caesar and jazz musician/arranger Melba Liston, illuminate the South Bronx milieu that folded many forms of black expressive culture into rap, and explain Hamilton's massive success as part of the tanning of American culture that began when Black music entered the mainstream. Part sourcebook and part survey of historic music scholarship, *Music in Black American Life 1945-2020* collects groundbreaking work that redefines our view of Black music and its place in American music history. Contributors: Nelson George, Wayne Everett Goins, Claudrena N. Harold, Eileen M. Hayes, Loren Kajikawa, Robin D. G. Kelley, Tammy L. Kernodle, Cheryl L. Keyes, Gwendolyn Pough, Bernice Johnson Reagon, Mark Tucker, and Sherrie Tucker. *The Michigan Womyn's Music Festival*

Laurie J. Kendall, Ph. D. Laurie J. Kendall, 2008 This book is a five year ethnographic study of the lesbian culture built at the Michigan Womyn's Music Festival The study explores the construction of an Amazon consciousness and its manifestation in symbol myth and ritual performance at the Festival It also explores the ways womyn build homes families and sacred traditions during the Festival

Lady Dicks and Lesbian Brothers Catherine Davy, 2023-06-20 A rich and detailed picture of a particular historical moment that has now passed I found myself immersed in the world of the East Village theatre scene and its connections to the larger world of feminism theatre and politics Davy's long standing association with this world pays off handsomely it is impossible to imagine that anyone could write a more informative portrait Charlotte Canning University of Texas at Austin After hosting two annual international women's performance festivals in 1980 and 81 Peggy Shaw Lois Weaver and comrades put on such extravaganzas as the Freudian Slip party and the Debutante Ball a coming out party if ever there was one to raise the first several months rent for a narrow vestibule on East 11th Street where they could keep the creativity going year round There on a stage no bigger than a queen sized mattress artists honed their craft giving birth to a celebratory feminist and tinsel tinged queer aesthetic By the mid 80s the rent quadrupled and WOW moved to a city owned building on East 4th Street where it has flourished ever since presenting hundreds if not thousands of plays solo shows concerts dance pieces cabarets and sundry performances that defy classification Alisa Solomon Village Voice Out of a small hand to mouth women's theater collective called the WOW Caf located on the lower east side of Manhattan there emerged some of the most important theater troupes and performance artists of the 1980s and 1990s including the Split Britches Company the Five Lesbian Brothers Carmelita Tropicana Holly Hughes Lisa Kron Deb Margolin Reno Peggy Shaw and Lois Weaver The WOW Women's One World Caf Theatre appeared on the cultural scene at a critical turning point in both the women's movement and feminist theory putting a witty hilarious gender bending and erotically charged aesthetic on the stage for women in general and lesbians in particular The storefront that became the WOW Caf Theatre saw dozens of excitingly original and enormously funny performances created performed and turned over at lightning speed a kind of hit and run theater As the demands on the space increased the women behind WOW organized as a collective and moved their theater to an abandoned doll factory where it continues to operate today For three decades the WOW Caf has nurtured fledgling women writers designers and performers who continue to create important performance work Lady Dicks and Lesbian Brothers provides a critical history of this avant garde venture whose ongoing system of anarchy has been largely responsible for its thirty year staying power after dozens of other women's theaters have collapsed WOW artists were creating a wholly original cultural landscape across which women could represent themselves on their own terms Parody cross dressing zany comedy and an unbridled eroticism are hallmarks of WOW's aesthetic combined importantly and powerfully with a presumptive address to the audience as if everyone onstage in the audience and in the world is lesbian Author Kate Davy's extensive research included in depth interviews with WOW veterans newspaper reviews of the earliest

The Disappearing L Bonnie J. Morris, 2016-07-29 Investigates the rise and fall of US American lesbian cultural institutions since the 1970s LGBT Americans now enjoy the right to marry but what will we remember about the vibrant cultural spaces that lesbian activists created in the 1970s 80s and 90s Most are vanishing from the calendar and from recent memory The Disappearing L explores the rise and fall of the hugely popular women only concerts festivals bookstores and support spaces built by and for lesbians in the era of woman identified activism Through the stories unfolding in these chapters anyone unfamiliar with the Michigan festival Olivia Records or the women s bookstores once dotting the urban landscape will gain a better understanding of the era in which artists and activists first dared to celebrate lesbian lives This book offers the backstory to the culture we are losing to mainstreaming and assimilation Through interviews with older activists it also responds to recent attacks on lesbian feminists who are being made to feel that they ve hit their cultural expiration date The Disappearing L is both an insider story and a well written analysis of a neglected piece of cultural history Morris delivers convincing arguments about why the lesbian feminist era was important not only to the individuals who lived it but also to a broader understanding of what has come to be called LGBT history No one could be better positioned to write this book than Morris Lillian Faderman author of The Gay Revolution The Story of the Struggle

Beyond Nature's Housekeepers Nancy C. Unger, 2012-10-05 This book highlights the unique and complex role women have played in the shaping of the American environment from pre Columbian Native Americans to present day environmental justice activists
