Prophecy in Perspective Dr. Gerald L. Woodruff, 2019-06-29 This work is intended to give the reader a grand view of prophecy as it appears in the Bible To understand the future we can use history as a guide as God reveals His plan not only to Israel but to the believer today The perspective comes from understanding that it is a Person being revealed in the backdrop of events We will see the events but it is meaningless to us if we do not understand the Person being revealed and that of course is Jesus Christ We can note that Christ was promised as coming to the Old Testament World and then it is promised that He will be coming again to establish His Kingdom The Kingdom of course was offered and then will be established We have prophecy as not only a guide to what has happened it is a guide to what will happen The believer then can understand the glory that is to be revealed and our part in it
