*The Life and Works of Ruskin Bond* Meena Khorana, 2003-05-30 Ruskin Bond is known internationally as one of India's most prolific writers in English for children young adults and adults This literary biography analyzes the impact of personal social geographical political and literary influences on Bond's worldview aesthetic principles and writings Connecting the development of Bond's writing career over the past 50 years to the evolution of the publishing industry in India Khorana details the author's pioneering work in the field of children's and young adult literature and his contribution to diasporic and postcolonial post independence literatures She concludes that it is Bond's versatile original and elegant writing in a variety of genres that continue to endear him to readers around the world According to the author despite Bond's British background he does not write about India from a Eurocentric perspective Having lived the majority of his life in India he knows the country as an insider writing with an authenticity and emotional engagement about the land and the people of the Himalayas and small town India Khorana analyzes his novels and short stories and highlights his juxtaposition of his protagonists individual dramas against larger social moral and metaphysical issues In addition she reveals how the autobiographical and regional elements in Bond's work provide insight into universal themes such as the tension between past and present city life versus rural values the dignity of ordinary folk preservation of the environment and living in harmony with nature

*The Incorporative Consciousness of Robert Bly* Victoria Frenkel Harris, 1992 Victoria Frenkel Harris traces the aesthetic journey of poet Robert Bly from his early structured works of mystical imagery and lyrical landscapes to his recent explorations of intimate relationships and male socialization Examining the various ways Bly's prose poems articulate his opposition to the Vietnam War and his recent writings manipulate more formal patterns in detailing the intricacies of human relationships Harris labels this evolution in form subject and imagery the incorporative consciousness incorporative because it assimilates Jungian psychological categories international poetic traditions and a compelling breadth of topics Harris relies in part on contemporary feminist theory to throw revealing new light on Bly's recent works Though sympathetic to Bly Harris finds that in spite of his affirmation of the interaction of psychic creative and intellectual energies in both sexes the poet's later erotic poems tend to objectify women in counterproductive ways Bly's idealization of woman as a Jungian universal Harris contends can blind him toward actual women Harris is at her best as she delimits with balance and precision the full complexity of the poet's work
