## **Education And Youth Employment In Sweden And Denmark:**

*Education and Youth Employment in Sweden and Denmark* Carnegie Council on Policy Studies in Higher Education, 1980  
Part one of this book on education and youth employment gives extensive data and information on the behavior and attitudes of youth in Sweden explanations for rising unemployment in that country the government's policies to combat youth unemployment and a description of the Swedish educational system The emergence of the permissive society in Sweden has brought growing participation in intellectual physical vocational and citizenship activities as well as a rise of negative and destructive phenomena At the same time youth unemployment has risen as employment in the manufacturing industries and the private sectors of the economy has declined Measures instituted to ameliorate the unemployment problem include granting government subsidies to employers who hire and train young workers increasing and facilitating access to education and increasing the capacity of the employment service to handle placement and counseling Part two of the book comprises a brief discussion of youth unemployment in Denmark including a profile of the typical unemployed youth a description of some experimental Danish schools and suggestions for the future Author WD      **Education and Youth Employment in Sweden and Denmark** Gösta Rehn, Kresten Helveg Petersen, 1980      *Resources in Education*, 1995

*Youth, Education and Employment* Keith Watson, 2022-10-12 First published in 1983 Youth Education and Employment tries to highlight the scale of the problem of youth unemployment in industrial societies by examining it from a variety of angles and by drawing upon developments in other countries including those of the developing world Examples are taken from France Germany Denmark and Sweden as well as from the United Kingdom and also from Cuba and small island communities This important volume shows the underlying causes of youth unemployment and offers positive solutions in particular stressing the need for a reappraisal of many educational practices This book is a must read for educationists policy makers and students of public policy      *Vocational Education in the Nordic Countries* Christian Jørgensen, Ole Olsen, Daniel Thunqvist, 2018-05-15 Vocational Education in the Nordic Countries Learning from Diversity is the second of two books that disseminates new and systematic knowledge on the strengths and weaknesses of the different models of vocational education and training VET in four Nordic countries Vocational education in Europe has resisted standardisation to a higher degree than other fields of education and during the last decade there has been a growth in international comparative VET research While the Nordic countries provide an ideal case for comparative education studies the literature in English on the Nordic VET systems is at present very limited This book provides thorough examinations of VET in Sweden Denmark Norway and Finland Each section examines the current challenges for VET compares how these challenges are managed and explores recent reforms and institutional innovations Contributors also analyse institutions and policies at the national level and include comparative studies of two occupations at the micro level in the four countries The book explores what can be learned from the diversity of the VET systems in the Nordic countries which otherwise have many similarities and share a

common heritage in education policy This volume will help strengthen the knowledge base required for transnational policy learning and for developing vocational education internationally for the future As a result the book will be of interest to researchers academics and postgraduate students involved in the study of vocational education educational studies and educational policy as well as policy makers      **Monthly Labor Review** United States. Bureau of Labor Statistics,1982-07 Publishes in depth articles on labor subjects current labor statistics information about current labor contracts and book reviews      Understanding Sex and Relationship Education, Youth and Class S. Elley,2013-10-04 This book sets out an original Youth Work based SRE programme and explores how a range of socioeconomic cultural and sexual norms values and attitudes differently shape decision making on sex intimacy and future plans across different contexts      **Labor Literature**,1981      **OECD Economic Surveys: Sweden 2008** OECD,2008-12-03 This 2008 edition of OECD s periodic survey of Sweden s economy addresses key economic challenges being faced in Sweden including the current economic crisis and fiscal policy tax reform education and easing impediments to youth employment and      *OECD Economic Surveys: Finland 2020* OECD,2020-12-10 The COVID 19 pandemic has plunged Finland into a deep recession albeit less severe than in most other OECD countries Finland managed to bring the first wave of the coronavirus under control quickly through a combination of voluntary mobility reductions and timely containment measures and is on track to do the same for the second wave Nevertheless many people have been laid off and the budgetary costs of supporting household and business incomes have been considerable      *Labor Literature* United States. Department of Labor. Library,1981      *Scandinavian Education* Stewart. E Fraser,Barbara. J Fraser,2017-07-28 This title was first published in 1973 Education in the Scandinavian countries has commanded significant international attention over the past decade Initiatives taken to promote comprehensive educational planning the democratization of educational opportunity curricular and structural renewal university reform innovation in adult education and an international perspective in instruction at every level are but some of the developments that educators throughout the world have followed with interest Those interested in education in the Nordic societies Stewart and Barbara Fraser s annotated bibliography of English language materials on Scandinavian education will provide an important new reservoir of source materials The bibliography is conveniently cross referenced and organized into specialized educational categories      New Policies to Promote Youth Inclusion Rune Halvorsen,Bjørn Hvinden,2015-01-14 This report examines changes over time among young adults who have experienced particular difficulties in achieving and retaining paid work in the ordinary labour market youth with family background from non Nordic countries and youth with disabilities in the Nordic countries The report identifies processes and mechanisms enabling or preventing the labour market prospects of the two youth groups The report focuses on policy measures aiming at tackling demand side barriers to employment for the two youth groups While available data have not made it possible to determine robust evidence of an effect positive or negative of the social regulation policies for the employment of vulnerable youth groups in statistical terms

the report identifies processes and mechanisms through which social regulation policies make a difference     *Investing in Youth: Sweden* OECD,2016-12-07 This report on Sweden is part of the series on Investing in Youth which builds on the expertise of the OECD on youth employment social support and skills     Young People and Work Robin Price,Paula McDonald,2016-02-11 This edited book brings together empirical studies of young people in paid employment from a variety of disciplinary perspectives and in different national settings In the context of increasing youth labour market participation rates and debates about the value of early employment it draws on multi level analyses to reflect the complexity of the field Each of the three sections of the book explores a key aspect of young people s employment their experience of work intersections between work and education and the impact of other actors and institutions The book contributes to broadening and strengthening knowledge about the opportunities and constraints that young people face during their formative experiences in the labour market This book will be required reading for all those working in the fields of sociology employment relations and education     **New Spirits of Capitalism?** Paul Du Gay,Glenn Morgan,2014 This edited book brings together leading scholars from a range of disciplinary fields such as Sociology Management and Organization Studies and Geography to explore the nature and effects of contemporary capitalism through engaging with Boltanski and Chiapello s seminal text *The New Spirit of Capitalism* It provides a comprehensive overview and interrogation of the text and develops new insights into contemporary neo liberal or financialized capitalism     **OECD Economic Surveys: Finland 2016** OECD,2016-01-28 This 2016 OECD Economic Survey of Finland examines recent economic developments policies and prospects The special chapters cover Productivity and Employment and Skills     **European Social Models from Crisis to Crisis** Jon Erik Dølvik,Andrew Martin,2015 This book analyzes the interaction of European social models the institutions structuring labor markets supply side and their turbulent macroeconomic environment from the deep Europe wide recession ending Germanys post unification boom through monetary union s establishment to the Great Recession following the recent financial crisis The analysis reaches two conclusions challenging the dominant view that the social models caused unemployment by impairing labor markets efficiency in the name of equity First the social models employment and distributive effects are far outweighed by their macroeconomic environment especially in the Eurozone where its truncated structure of economic governance transformed the Great Recession into a sovereign debt crisis Second instead of a trade off between efficiency and equity the employment effects of counteracting markets tendency to generate inequality depends on the macroeconomic conditions under which it occurs and how it is done     *Something Borrowed, Something Blue? Part One* David Finegold,Laurel McFarland,William Richardson,1993-01-01 For Part Two please see [https://play.google.com/store/books/details/David\\_Finegold\\_Something\\_Borrowed\\_Something\\_Blue\\_P?id=CvXCgAAQBAJ](https://play.google.com/store/books/details/David_Finegold_Something_Borrowed_Something_Blue_P?id=CvXCgAAQBAJ) A distinct pattern emerged in the British education and training reform process in the latter half of the 1980s A government minister or a team of policy experts paid a brief study visit to the United States a short time later a new initiative was announced which bore a close resemblance to a

US programme More recently the flow of policy ideas across the Atlantic appears to have reversed direction This book develops a three tiered approach to the analysis of policy borrowing The first section draws on a number of different literatures relevant to this area to create an analytical framework for the study of policy borrowing Section Two examines the specific context in which these borrowing episodes occurred asking Why did Britain look to America for policy inspiration in the latter half of the 1980s The final section examines individual cases of policy borrowing at the local and national levels attempting to distill lessons about the borrowing process

*Youth, Diversity and Employment* Rune Halvorsen, Bjørn Hvinden, 2018 Including youth in the labour market is a major challenge facing many European countries This book examines the transitions from education to employment with a focus on Nordic youth in the broader European context The book combines insights from the social sciences and law by linking the challenges facing young people in general and the more specific barriers facing the more vulnerable groups of young people Youth Diversity and Employment provides original insights on the interdependencies or interaction between redistributive and regulatory social policies
