Education Of Everett Richardson The Nova Scotia Fishermens Strike:

The Education of Everett Richardson Silver Donald Cameron, Donald Cameron, 1977 **Rebel Youth** Ian Milligan, 2014-07-30 During the long sixties baby boomers raised on democratic postwar ideals demanded a more egalitarian society for all While a few became vocal leaders at universities across Canada nearly 90% of Canada's young people went straight to work after high school There they brought the anti authoritarian spirit of the youth revolt to the labour movement While university based activists combined youth culture with a new brand of radicalism to form the New Left young workers were pressing for wildcat strikes and defying their aging union leaders in a wave of renewed militancy In *Rebel Youth* Ian Milligan looks at these converging currents demonstrating convincingly how they were part of a single youth phenomenon With just short of seventy interviews complementing the extensive use of archival records from ten different cities this book claims a central place for labour and class in the legacy of the Canadian sixties *Cape Bretoniana* Beaton Institute of Cape Breton Studies, 2005-01-01 Nova Scotia's Cape Breton Island is a beautiful region with a unique community whose history and ethnic composition have resulted in the evolution of a powerful sense of identity and place While outsiders may think only of the island's perennial economic woes and long economic dependence on coal mining and steel production it is also the home of a rich vibrant and distinct culture Brian Douglas Tennyson's *Cape Bretoniana* is the first bibliography to gather together all known publications relating to the history culture economy and politics of Cape Breton Island With more than 6000 entries it not only provides a comprehensive listing of publications and post graduate theses but also detailed annotations on the listings Each entry lists the author title place of publication publisher date of publication volume and issue number in the case of periodicals and page references followed by a brief description of the item Cape Breton has never been so thoroughly documented This bibliography will help to ensure that even in a world becoming increasingly homogenized by the forces of globalization unique cultural identities like Cape Breton's can be preserved and nurtured **Churches of Nova Scotia** Robert Tuck, 2004 Both text and photographs tell the story of more than 30 churches from all parts of the province and a variety of denominations and eras **The Canadian Labour Movement: A Short History** Craig Heron, 1996 The Canadian Labour Movement is a fascinating story that brings to life the working men and women who built Canada's unions This concise history recounts the story of Canadian labour from the nineteenth century to the present day First published in 1989 it has been updated to include new developments in the world of labour up to 1995 Heron depicts the major events and trends in labour's history and assesses the current state and direction of the labour movement The Canadian Labour Movement is a masterful overview of the subject providing a broad and accessible introduction to Canadian labour The New Practical Guide to Canadian Political Economy Daniel Drache, Wallace Clement, 1985-01-01 The New Practical Guide to Canadian Political Economy is a handy reference to the vast range of research and writing that political economists in Canada have completed to the date of publication The book is divided into twenty five subject bibliographies

MacKinnon, 2016-10-27 Biff and whiff baker's fog and lu sknikn pie social and milling frolic these are just a few examples of the distinctive language of Cape Breton Island where a puck is a forceful blow and a Cape Breton pork pie is filled with dates not pork The first regional dictionary devoted to the island's linguistic and cultural history the Dictionary of Cape Breton English is a fascinating record of the island's rich vocabulary Dictionary entries include supporting quotations culled from the editors extensive interviews with Cape Bretoners and considerable study of regional variation as well as definitions

The Atlantic Provinces in Confederation Ernest R. Forbes,Delphin A. Muise,1993-12-15 Canada s four easternmost provinces while richly diverse in character and history share many elements of their political and economic experience within Confederation In this volume thirteen leading historians explore the shifting tides of Atlantic Canada s history beginning with the union of Nova Scotia and New Brunswick with Ontario and Quebec to form the Dominion in 1867 Continuing on through Prince Edward Island s entry into Confederation six years later and Newfoundland s in 1949 they take the story of Atlantic Canada up to the 1980s Collectively their work sheds light on the complex political dynamic between the region and Ottawa

and reveals the roots of current social and economic realities Fragmentation versus integration plenty versus scarcity centre versus periphery and other models inform their analysis The development of regional disparity and responses to it form a major theme The tradition of regional protest by Maritimers and later Atlantic Canadians runs deep so does their commitment to the idea of an integrated Canadian nation Protests over the decades have primarily been expressions of frustration at perceived exclusion from the full benefits of national union The creation of national markets for labour capital and goods often operated to their detriment and political decisions at the national level frequently reinforced rather than alleviated the regional predicament More than an account of the wealthy and powerful this book often places ordinary men and women at the centre of the story Above all it reveals the resilience of Atlantic Canadians as they have struggled to overcome their problems and to share in the benefits of life in the Canadian community **Managing Canada's Fisheries**

Joseph Gough, Canada. Department of Fisheries and Oceans, 2007 In Defence of Home Places Mark R.

Leeming, 2017-06-07 As environmental deterioration became a major political issue near the end of the twentieth century activists in Nova Scotia stood together to defend the places they called home They cooperated to protect local environments and economies but they disagreed about the causes of environmental problems the role of humanity in nature and the place of environmentalists in the political process In Defence of Home Places examines the diversity of environmental activism in Nova Scotia illustrating how radicals and conservatives combined efforts to achieve early legislative and social success It also chronicles the debates and disagreements over fundamental principles that then weakened and divided the powerful environmental movement Placing the evolution of Nova Scotian environmental activism within a broader theoretical framework Mark R Leeming considers its development in national and international contexts examining the environmental movement itself along with the choices and tactics that brought about its greatest successes and failures *Blood in the Water*, 2021-11-16 INTERNATIONAL TRUE CRIME BESTSELLER An instant true crime classic about a brutal Nova Scotia murder for fans of Say Nothing and Furious Hours Publishers Weekly Fascinating A must read for all concerned about how humans manage to live together Or not Margaret Atwood In his riveting and meticulously reported true crime book Silver Donald Cameron offers an intricate narrative about a notorious small town crime the 2013 murder of Phillip Boudreau by three upstanding citizens of Cape Breton Island Phillip Boudreau seemed invincible a miscreant who would plague the village forever as police frustration grew and budgets shrunk But when two cousins and skipper Dwayne Samson saw Boudreau in his boat about to vandalize their lobster traps they took matters into their own hands Like so many times before the small time criminal was about to cost them thousands of dollars out of their seasonal livelihood so they took out a rifle and fired four shots Was the Boudreau killing cold blooded murder a direct reaction to credible threats or the tragic result of local officials failing to protect the community As many local people have said if those fellows hadn't killed him someone else would have Cameron's searing utterly gripping true crime story about one Nova Scotia community raises a disturbing

question Are there times when taking the law into your own hands is not only understandable but the responsible thing to do
Subject Catalog Library of Congress,1979 **Rough and Plenty** Raymond A. Rogers,2020-02-15 As a commercial fisher in Nova Scotia in the early 1990s Raymond Rogers experienced the collapse of Canada s East Coast fishery first hand Afterward while preparing to leave the province to find work elsewhere Rogers noticed a lone gravestone across the road from his home in Shelburne County that commemorates the life of Donald McDonald a crofter from the Isle of Lewis in Scotland who departed this life in 1881 Rogers wondered if there might be a connection between the necessity of his own departure and McDonald s lonely presence on the nearby Atlantic shore linking them as members of local communities that were displaced in the name of economic progress In *Rough and Plenty A Memorial* Rogers explores the parallel processes of dispossession suffered by nineteenth century Scottish crofters expelled from their ancestral lands during the Highland Clearances and by the marginalization of coastal fishing communities in Nova Scotia The book aims to memorialize local ways of life that were destroyed by the forces of industrial production as well as to convey the experience of dislocation using first hand narratives recent and historical The author makes the case that in a world where capital abhors all communities but itself remembering becomes a form of advocacy that can challenge dominant structures **Canadiana** ,1977
