**The Life and Adventures of Ernest Moritz Arndt, the Singer of the German Fatherland** Ernst Moritz Arndt,1879 consists mainly of a translation of Arndt s autobiography abridged in many places and occasionally enlarged by quotations from his letters and other writings The account of the later years of his life is drawn from the numerous biographies Prefatory note Revisiting Prussia's Wars against Napoleon Karen Hagemann,2015-03-30 In 2013 Germany celebrated the bicentennial of the so called Wars of Liberation 1813 15 These wars were the culmination of the Prussian struggle against Napoleon between 1806 and 1815 which occupied a key position in German national historiography and memory Although these conflicts have been analyzed in thousands of books and articles much of the focus has been on the military campaigns and alliances Karen Hagemann argues that we cannot achieve a comprehensive understanding of these wars and their importance in collective memory without recognizing how the interaction of politics culture and gender influenced these historical events and continue to shape later recollections of them She thus explores the highly contested discourses and symbolic practices by which individuals and groups interpreted these wars and made political claims beginning with the period itself and ending with the centenary in 1913 Kosegarten Lewis Holmes,2004 The poet preacher and university professor Ludwig Gotthard Theobul Kosegarten 1758 1818 lived most of his life in a region on the Baltic Sea known as Swedish Pomerania This popular writer participated actively in German culture interacting with Friedrich Schiller and Johann Wolfgang Goethe as well as other literary figures and intellectuals including Ernst Moritz Arndt and Friedrich Schleiermacher Kosegarten helped to shape the aesthetic attitudes of German Romantic art and his poetry was set to music by three dozen composers including Franz Schubert During the French occupation when German national feelings were running high Kosegarten shocked his contemporaries by speaking out courageously against patriotic excess He welcomed the social reforms that were beginning to free serfs and to establish equality under the law In 1817 German nationalists burned his books and tarred his reputation This book which is based on a close reading of his works is the first detailed biography of Kosegarten to be published in English **The Napoleonic Wars** Alexander Mikaberidze,2020 The first truly
