There is Truth and It Will Set You Free Fr. Jeffrey S. Tunnick, 2025-08-04 We live in a world where the very concept of truth is rejected by some Others may accept some of truth but ultimately think they should be free to determine for themselves what to believe Fr Jeff embraces truth Through his writings on his website www.renewaloffaith.org sermons and presentations inspired by the Holy Spirit he seeks to present the truth as God has given it to anyone who will listen or read his writings In the summer of 2024 Fr Jeff came to realize that if he was going to continue to teach God's truth he needed to help people understand what truth is So he began to write an article for his website with some expectation of offering presentations on truth When he began to write this document he expected it to be not more than twenty five or thirty pages His plan was to have the first part of the document center on truth in secular terminology and then bring the Christian faith into the discussion That was his plan but

it was not God's plan This book is the article he set out to write As he wrote two things became obvious The first is that he could not write about truth without referring to the Christian faith The two are intertwined Second God had bigger plans than an article for Fr Jeff's website Through writing prayer and encouragement from his friends he discerned that God was leading him to publish this book It is in God's truth that we find who we are meant to be

Civil Dialogue on Abortion Bertha Alvarez Manninen, Jack Mulder, Jr., 2018-02-07 Civil Dialogue on Abortion provides a cutting edge discussion between two philosophy scholars on each side of the abortion debate Bertha Alvarez Manninen argues for her pro choice view but also urges respect for the life of the fetus while Jack Mulder argues for his pro life view but recognizes that for the pro life movement to be consistent it must urge society to care more for the vulnerable Coming together to discuss their views but also to seek common ground the two authors show how their differing positions nevertheless rest upon some common convictions The book helps to provide a way forward for a divide that has only seemed to widen the aisle of public discourse in recent years This engaging book will prove essential reading for students across multiple disciplines including applied ethics medical ethics and bioethics but will also be of interest to students of religious studies and women's studies

The Virgin Mary and Theology of the Body Donald H. Calloway, M.I.C., 2014-06-25. The Church's Marian beliefs have constantly shed light on other teachings, and the Theology of the Body is no exception. In this compilation of essays, some of the world's most foremost Mariologists and experts on the Theology of the Body share their insights on how Mary illuminates the message of the Theology of the Body in a profound way. As the Mother of God, Mary provided Jesus with His body, a body that would be offered on the cross for our redemption. She bore witness to His bodily resurrection and ascension, and she herself was assumed bodily into heaven. Through an understanding of Mary's role in salvation history, we are able to see more clearly our personal roles in the Christian life. In this book, you will learn about the nuptial meaning of the body in the marriage of Joseph and Mary, the Immaculate Conception, and the human person. The significance of Mary as virgin and mother, the Virgin Mary and the culture of life, the image of God in the image of Mary as model Christian.
