against human cloning If this is not done the Antichrist must surface from a colony of human clones in a few years ahead If this war against human cloning is not launched now the world should get ready to face a very severe war of the Antichrist as from the year 2042 AD when the Antichrist would have grown into maturity as a world Dictator This book cautions that all hands must be on deck to fight the battles of this imminent war If you want to be a soldier in this crusade war this book is your armour and weapon I recommend this book to Governments Institutions Churches and families because it will likely serve as a deterrent to the menace the Devil is planning to usher into the world in the near future *Good News Bible* ,1976
