The Good News About Hard Times Jonathan H. Wilson, 2015-08-21 James our life coach James the brother of Jesus was not a believer until after the Resurrection Then his whole life changed He was made the leader of the early church We often think of the great apostle Paul as the greatest leader in the early church but whose counsel did Paul seek when he had to make a crucial decision three times Was it not James whose counsel he sought James was Paul's life coach and by reading and studying the sacred and inspired writings of James he can then become our life coach **Good News, Bad News**

Wisdom in Troubled Times Pastor Stephen Kyeyune, 2018-06-30 This book is written in the form of a devotional It consists of my minisermos as posted daily on social media It addresses the tussles we encounter daily It is good for spiritual maturity

relationships and wisdom A devotional journal compared to a memoir should have some uplifting qualities and should be inspiring and illuminating That's what this book is intended to accomplish This book will help you discover your purpose for living and hence your divine destiny What you believe about God defines your life Losing sight of God causes us to lose who we are really are The Word is a prism through which we filter our changing self image God's primary goal is to change us so that we can see as He sees Christ Himself became wisdom from God to us in order for us the church to display the multifarious wisdom of God to the whole universe God may not fix everything broken in your life now but He is willing to renew your thinking so that you are able to think as He would have you think desire what He says is best and do what He calls you to do This book could be a viable clutch missing at your fingertips greatly needed in a culture in which post truth is the word of the year I mean today's culture where people are economical with the truth where people sweeten it or tell the truth improved

Germany George survived and returned to Pendleton and soon married his high school sweetheart an intelligent young woman from the Umatilla Indian Reservation Of course there were comments complaints and whispered insults about the mixed race marriage of George Dickinson and Sulema Lopez Both families were very supportive of the marriage and headed off many rude and unwanted objections that were aimed at George and Sulema That support eased much of the tension that may have arisen and the couple led very fulfilling adult lives that were blessed by twins The person most responsible for the family s strength and cohesion during the hardest times was Ella who had enough love and compassion for anyone who entered her circle Her motto God loves you so do I was introduced to her by her father a Baptist pastor She lived it and took care of her little corner of the world right up to the time of her death Hard Times Good People is about those who step up and take on life s most demanding challenges and setbacks To get through those times took nothing short of everyday heroes
