## **Good People And Where You Fit In:**

**They Will Tell You the World Is Yours** Anna Mitchael, 2025-05-20 There are wonder and wisdom in these pages Joanna Gaines Where do we find true fulfillment How did we get lost along the way These lushly written emotionally resonant stories light candles along the path as we each search for purpose They will tell you that a better version of yourself is waiting to be found Every day we hear a version of this message and so we search and strive Yet none of the places we've been told to look our careers relationships even dreams that come true seem to give lasting satisfaction After twenty years as a professional writer of other people's truth Anna Mitchael found herself at the same crossroads Tired of reaching and wondering where it was all headed she began asking questions They will tell you to cut the blooms off your roses so that the flowers can grow back bigger and better This book is an invitation that grew from those inquiries A series of vignettes as incisive as they are lyrical paints a portrait of a woman growing from childhood into early adulthood navigating family friendships identity career ambitions and love While this woman moves through a time of crisis that ultimately turns into an awakening we see her explore fall down and get back up As she learns to sift the messages she is told we too are encouraged to seek truth beyond what the world has prescribed for our happiness Even with our wild differences I still believe in something greater we share a spirit of divine love at our core that no matter how far away we get will always be calling us home For hearts in search of answers this collection poses questions to help find lasting truth
