Winchester, 2025-07-03 The book invites its readers to explore the role erotic love pleasure and friendship play in crafting a good life These topics are enduring themes that captures the heart of human existence and have been the focus of many works of philosophy and literature However there remains scope for further examination This book offers a compelling case to expand the exploration beyond the preponderance of white male canonical figures that have dominated the field in order to include an array of scholars that more accurately capture the diversity of humanity It does so by drawing on Greek Asian Africana Continental and Feminist thinkers and exploring a myriad of literary works to illustrate and interrogate the theories *High Times, An Alien Paradise* Mark Russell Viliborghi, 2009-09-30 From author Mark Russell Viliborghi s exceptionally vivid dream comes this fascinating work of fiction that takes you into the interesting place called High Times As you delve deep into High Times An Alien Paradise you ll find satisfaction intrigue romance revelation humor mystery good times and insight into the future of humankind Meet an ensemble of charming characters who will show you the beauty and delight of living and working in High Times Follow Horn who narrates this story as he tells you of how he enjoys waking up everyday to work as a saxophone player in a band at High Times So what makes High Times that interesting It is an unusual restaurant nightclub bar dance hall High Times or HT as fondly called by its employees is not the typical place for entertainment and eating It even has a

romantic heated indoor basement heart shaped swimming pool The founders of High Times has built HT mostly to get friends together especially those who have common interests in an environment of intimacy where the best of conversation dance music and most of all good warm feelings can be cultivated and expressed But is this all there is to it or is there some mystery and intrigue behind the facade of High Times Find out in author Mark Russell Viliborghi's High Times An Alien Paradise Book Reviews A topsy turvy psychedelic science fiction tale starring an eclectic array of beings human and otherwise based on an exceptionally lucid dream experienced by author Viliborghi Viliborghi's hero is Horn a musician at a small nightclub called High Times For Horn life is so exciting that he can't wait to see what comes next He lives to play music loves his band mates is well paid and maintains a nice flat in a nearby post war apartment building Actually he explains I have accidentally found myself in a million dollar lifestyle without the responsibilities or stresses We who work at High Times are all riding a train through Shangri La I hope it never ends and I just knew life could be this good But not all is how it appears As Horn soon discovers there is a mysterious presence in the basement of the apartment complex The place gives me that funny feeling he says the one where you walk backwards out so that you don't turn your back on whatever is there High Times is comprised of two narratives each carefully intertwined by Viliborghi The first is the more straightforward Horn recruits a new female lead singer for his band and promptly falls in love The band plays gigs and earns the respect of the community Meanwhile the author delves into the stories of the other denizens of the apartment complex including a young couple named Jack and Jill But the book is also a sci fi adventure and much of the book is concerned with Horn's search for life in the basement High Times appears to be a kind of portal which connects the nightclub and the apartment complex to a powerful alien being Viliborghi's writing often falls flat but his plotting is solid and the book moves from the early scenes to the surprising exciting ending with a good deal of ballast Extraterrestrial happenings make this an intriguing ride Kirkus Discoveries
