does it all mean The Meaning of Trump is an ideological critique that sees the election of Donald Trump as a completely natural progression to the general trajectory of digitized technologies neoliberalism and a new breed of financialized capitalism destructive global forces that know no party affiliation or national boundary Although Donald Trump is undoubtedly the symptom that has exploded to the surface after nearly four decades of failed policies and broken promises by both Republicans and Democrats alike his election can also be seen as an existential fork in the road for both the United States and even humanity itself What path is taken still remains to be seen

Flavor and Soul John Gennari,2017-03-18 In the United States African American and Italian cultures have been intertwined for more than a hundred years From as early as nineteenth century African American opera star Thomas Bowers *The Colored Mario* all the way to hip hop entrepreneur Puff Daddy dubbing himself the Black Sinatra the affinity between black and Italian cultures runs deep and wide Once you start looking you'll find these connections everywhere Sinatra croons bel canto over the limousine swing of the Count Basie band Snoop Dogg deftly tosses off the line I'm Lucky Luciano bout to sing soprano Like the Brooklyn pizzeria and candy store in Spike Lee's *Do the Right Thing* and *Jungle Fever* or the basketball sidelines where Italian American coaches Rick Pitino and John Calipari mix it up with their African American players black Italian connections are a thing to behold and to investigate In *Flavor and Soul* John Gennari spotlights this affinity calling it the edge now smooth sometimes serrated between Italian American and African American culture He argues that the edge is a space of mutual emulation and suspicion a joyous cultural meeting sometimes darkened by violent collision Through studies of music and sound film and media sports and foodways Gennari shows how an Afro Italian sensibility has nourished and vitalized American culture writ large even as Italian Americans and African Americans have fought each other for urban space recognition of overlapping histories of suffering and exclusion and political and personal *rispetto* Thus *Flavor and Soul* is a cultural contact zone a piazza where people express deep feelings of joy and pleasure wariness and distrust amity and enmity And it is only at such cultural edges Gennari argues that America can come to truly understand its racial and ethnic dynamics

Transgression and Redemption in American Fiction Thomas J. Ferraro,2020-12-03 *Transgression and Redemption in American Fiction* is a critical study of classic American novels Ferraro returns to Hawthorne's closet of secreted sin to reveal *The Scarlet Letter* as a deviously psychological turn on the ancient Mediterranean Catholic folk tales of female wanderlust cuckolding priests and demonic revenge This lights the way to explore what Ferraro calls the Protestant temptation to Marian Catholicism in seven modern American masterworks including Chopin's *The Awakening* Fitzgerald's *The Great Gatsby* Cather's *The*

Professor s House and Hemingway s *The Sun Also Rises* Transgression and Redemption in American Fiction explores stories of forbidden passion and sacrificial violence with ultra radiant women and sometimes men at their focus It examines how these novels speak to readers across religious and social spectrums generating an inclusive mode of address and near universal relevance Ferraro breaks the codes of contemporary criticism in his thematic focus and critical style going beyond Protestantism and even Judeo Christian Orthodoxy itself Transgression and Redemption in American Fiction encourages the attentive reader to think about the American imagination the myriad arts of writing about the passion plays of love and even our canonical structures for reading and thinking about literature in new ways

In the Game A. Bass,2005-09-23 Talking about race and sports almost always leads to trouble Rush Limbaugh s stint as an NFL commentator came to an abrupt end when he made some off handed comments about the Philadelphia Eagles black quarterback Donovan McNabb Ask a simple question along these lines Why do African Americans dominate the NBA and watch the sparks fly It is precisely this flashpoint that the contributors to this volume seek to explore Professional and amateur sports wield a tremendous amount of cultural power in the United States and around the world and racial ethnic and national identities are often played out through them In the Game collects essays by top thinkers on race that survey this treacherous terrain They engage fascinating topics like race and cricket in the West Indies how black culture shaped the NFL in the 1970s the famed black on white Cooney Holmes boxing bout and American Indian mascots for sports teams

Chronicle of a Camera Norris Pope,2013-03-06 This volume provides a history of the most consequential 35mm motion picture camera introduced in North America in the quarter century following the Second World War the Arriflex 35 It traces the North American history of this camera from 1945 through 1972 when the first lightweight self blimped 35mm cameras became available Chronicle of a Camera emphasizes theatrical film production documenting the Arriflex s increasingly important role in expanding the range of production choices styles and even content of American motion pictures in this period The book s exploration culminates most strikingly in examples found in feature films dating from the 1960s and early 1970s including a number of films associated with what came to be known as the Hollywood New Wave The author shows that the Arriflex prompted important innovation in three key areas it greatly facilitated and encouraged location shooting it gave cinematographers new options for intensifying visual style and content and it stimulated low budget and independent production Films in which the Arriflex played an absolutely central role include Bullitt The French Connection and most significantly Easy Rider Using an Arriflex for car mounted shots hand held shots and zoom lens shots led to greater cinematic realism and personal expression

The Art and Aesthetics of Boxing David H. T. Scott, 2008-01-01

What separates the chaos of fighting from the coherent ritual of boxing? According to author David Scott, it is a collection of aesthetic constructions including the shape of the ring, the predictable rhythm of timed rounds, the uniformity of the boxers' glamorous attire and the stylization of the combatants' posture and punches. In *The Art and Aesthetics of Boxing*, Scott explores the ways in which these and other aesthetic elements of the sport have evolved over time. Scott comprehensively addresses the rich dialogue between boxing and the arts, suggesting that boxing not only possesses intrinsic aesthetic qualities but also has inspired painters, graphic designers, surrealist poets and modern writers to identify, expand and respond to the aesthetic properties of the sport. Divided into three parts, the book moves from a consideration of the evolution and intrinsic aesthetics of boxing to the responses to the sport by cubist and futurist painters and sculptors, installation artists, poster designers, photographers and finally surrealist poets and modernist writers. With distinctive illustrations and photographs in nine short chapters, Scott creates a visual as well as a textual narrative that supplements and concretely demonstrates the deep dynamic relationship between the art of boxing and the world of art and literature.
