Good Year For Murder:

The Last Good Year Damien Cox, 2018-10-23 Nominated for the 2019 Toronto Heritage Book Award We may never see a playoff series like it again Before Gary Bettman and the lockouts Before all the NHL's old barns were torn down to make way for bigger glitzier rinks Before expansion and parity across the league just about anything could happen on the ice And it often did It was an era when huge personalities dominated the sport and willpower was often enough to win games And in the spring of 1993 some of the biggest talents and biggest personalities were on a collision course The Cinderella Maple Leafs had somehow beaten the mighty Red Wings and then just as improbably the St Louis Blues Wayne Gretzky's Kings had just torn through the Flames and the Canucks When they faced each other in the conference final the result would be a series that fans still talk about passionately 25 years later Taking us back to that feverish spring The Last Good Year gives an intimate account not just of an era defining seven games but of what the series meant to the men who were changed by it Marty McSorley the tough guy who took his whole team on his shoulders Doug Gilmour the emerging superstar celebrity owner Bruce McNall Bill Berg who went from unknown to famous when the Leafs claimed him on waivers Kelly Hradek the Kings goalie who would go on to become a Hockey Night in Canada broadcaster Kerry Fraser who would become the game's most infamous referee and two very different captains Toronto's bull in a china shop Wendel Clark and the immortal Wayne Gretzky Fast paced authoritative and galvanized by the same love of the game that made the series so unforgettable The Last Good Year is a glorious testament to a moment hockey fans will never forget **The Good Years** Harold D.

Lasswell, 2017-07-05 The period between 1900 and the First World War could be called the Confident Years the Buoyant Years the Spirited Years or named after some bright hopeful color like the Golden Years It could be done but such tags are the invention of pundits social historians and professional name coiners To the many varied people who lived through the era the men and women who wistfully recall marching for suffrage rebuilding San Francisco or cheering wildly for Woodrow Wilson the age was remembered as the Good Years It was a time of triumph the Wright brothers and of tragedy the Titanic Days of wealth a 200 000 ball and of poverty a child in a cotton mill earning 3 54 a week But through it all ran an exciting thread of boundless confidence and hope No one ever accused the people of that period of national indifference It is this spirit of uncontested optimism along with the pageant of great events that makes this book such rewarding reading In gathering his material Walter Lord pored over letters diaries unpublished reminiscences even Pinkerton reports filled with fascinating and until now unknown detail He traveled thousands of miles and interviewed the people who lived through the period He met with individuals who firmly believed they had been given the greatest experience anyone could ever have they knew and enjoyed the years when there was no limit to what we could and would do Lord's attention to first hand sources makes this book vivid and timeless And Leslie Lenkowsky's new introduction adds contemporary dimension to this classic work **Pearline's Pretty Good Year** Travis Gibson, 2005-03-15 Pearline LaWanda Nicolls Mrs Oscar Wayne Nicolls will

tell you that she is not the town busy body As she tells the girls at the Curly Q with everything she has to do she certainly has no time for idleness or gossiping She works part time at the Stop N Buy and helps her friend Carmella clean houses The rest of her time is spent trying to take care of her own house and family and helping her husband a proud twenty year employee at the city sanitation plant try to make ends meet and keep the wolves from the door Of course she also must contend with an on going rivalry with an uppity sister a son who is in danger of becoming religious and thirteen large dogs and the rigors of being a volunteer in an election campaign Then there is the fact that her mamma suddenly goes missing and then reappears with information that Pearline could well do without Add this to the fact that Pearline finds herself deeply involved in the events surrounding the murder of a popular high school coach and the subsequent trial of the accused killer and an ordinary year for Pearline becomes quite unforgettable

had ever heard of this friend The next surprise is a passenger is murdered in her stateroom and the captain asks Sonny and Gene retired homicide detectives to take charge of investigating the murder The ship s security staff is hardly trained to handle a murder The cruise takes them to all the places they had dreamed of seeing and gives the reader a glimpse of what it s like to visit Uluru the Great Barrier Reef the Taj Mahal Machu Picchu and many other places The murders don t stop Sonny and Gene have never had a case with almost no clues The only thing each of the murders has in common is an association with a man named Lucky Jordan Lucky was a very good looking man very charming and women were attracted to him Was he the killer or was there something else about him that was causing their deaths *Murder in Boston* Ken Englade,2014-12-09

A shocking true story of crime punishment and injustice in a major American city Charles Stuart claimed it was a black man who carjacked him shooting both himself and his wife ending both her life and the life of their unborn child The accusation and subsequent manhunt enflamed the long simmering racial tensions of Boston leading to the arrest of an innocent man It was then discovered that Stuart had killed his wife and shot himself to cover up the crime seeking a big insurance payout When his crimes were exposed Stuart jumped off a bridge to his death Ken Englade explores the story with panoramic vision and a stunning eye for detail Looking at the crime itself and the police response Englade shows how Stuart s crime unraveled how the truth came out and what the media s response can tell us about the biases through which we view the worst of crimes Goodyear Tire & Rubber Company V. DellaCava,Madeline H. Engel,2002 This volume is a comprehensive collection of critical essays on *The Taming of the Shrew* and includes extensive discussions of the play s various printed versions and its theatrical productions Aspinall has included only those essays that offer the most influential and controversial arguments surrounding the play The issues discussed include gender authority female autonomy and unruliness courtship and marriage language and speech and performance and theatricality **The Criminal Justice Report of Lower Burma, 1889** Burma, Lower,1890 **The Penalty is Death** Marlin Shipman,2002 In 1872 Susan Eberhart was convicted of murder for helping her lover to kill his wife The Atlanta Constitution ran a story about her hanging in Georgia that covered slightly more than four full columns of text In an editorial sermon about her the Constitution said that Miss Eberhart not only committed murder but also committed adultery and violated the sanctity of marriage An 1890 article in the Elko Independent said of Elizabeth Potts who was hanged for murder To her we look for everything that is gentle and kind and tender and we can scarcely conceive her capable of committing the highest crime known to the law Indeed at the time this attitude was also applied to women in general By 1998 the press s and society s attitudes had changed dramatically A columnist from Texas wrote that convicted murderess Karla Faye Tucker should not be spared just because she was a woman The author went on to say that women could be just as violent and aggressive as men the idea that women are defenseless and need men s protection is probably

the last vestige of institutionalized sexism that needs to be rubbed out *Saving the African American Community from Violence* Kenneth Nathan Moore, 2011-04-26 This book is to help the African American culture one that has a 12 percent population in America but has a very high national annual violent death rate a high percentage of high school dropouts a very low college education graduation rate and as well as a very high African American male incarceration rate These are the direct results of our annihilation by some of our own people here in America This book should be used as a tool to help all families no matter their race or creed to overcome all adversities be it economics drugs or violence
