Is The End Near? Michael Youssef, 2022-10-04. When will the insanity end? This book will answer your questions about end times issues by examining statements that Jesus Himself made about what was to come. You will be encouraged as you anticipate Christ's return. Both inside and outside the church, people are asking the same question: Is this the end of the world? With a global pandemic that has killed millions, nations spending millions of dollars to update their nuclear weapons arsenals, and an increase in fire, floods, plagues, and other natural disasters, Christians and non-Christians alike are concluding that history appears to be drawing to a close. Yet Dr. Michael Youssef says now is not the time to fear. In *Is The End Near?* Dr. Youssef looks at Jesus' words in Matthew 24 and 25 about the end of civilization and the coming of the one world ruler and examines whether the birth pains Jesus predicted in Matthew 24 are signs that the end times are near. Evidence for potentially apocalyptic events such as asteroid or comet collisions with Earth, events that could trigger unprecedented tsunamis and global darkness.
