# THE GOOD LIFE *AND ITS DISCONTENTS*

The  
American Dream  
in the Age of Entitlement

ROBERT J. SAMUELSON

WITH A NEW AFTERWORD

# Good Life And Its Discontents

**Y. Dierwechter**

## **Good Life And Its Discontents:**

**The Good Life and Its Discontents** Robert J. Samuelson, 1995 One of the country's most influential commentators attempts to explain why the richest most powerful and most democratic nation in the world is overcome by self doubt and confusion Samuelson takes a penetrating look at why Americans feel so bad when they are really doing so well and poses the crucial question Can America's leaders restore confidence by curbing government that has promised more than it can deliver

**The Good Life and Its Discontents** Robert J. Samuelson, 1997-09-30 A New York Times Business Book Bestseller Shrewd and optimistic The Good Life and Its Discontents combines first rate analysis with persuasive historical political and sociological insights The New Republic Today Americans are wealthier healthier and live longer than at any previous time in our history As a society we have never had it so good Yet paradoxically many of us have never felt so bad For as Robert J Samuelson observes in this visionary book our country suffers from a national sense of entitlement a feeling that someone whether Big Business or Big Government should guarantee us secure jobs rising living standards social harmony and personal fulfillment In The Good Life and Its Discontents Samuelson a national columnist for Newsweek and the Washington Post links our rising expectations with our belief in a post Cold War vision of an American utopia Using history economics and psychology he exposes the hubris of economists and corporate managers and indicts a government that promises too much to too many constituencies Like David Reisman's The Lonely Crowd and John Kenneth Galbraith's The Affluent Society the result is a book that defines its time and that is sure to shape the national debate for years to come A smart balanced epitaph for an era with a few clues for what's ahead Business Week Lucid and nonsectarian Samuelson traces how the reasonable demand for progress has given way to the excessive demand for perfection The New York Times

**Bad Old Days** Alan J. Levine, 2017-07-28 For many especially those on the political left the 1950s are the bad old days The widely accepted list of what was allegedly wrong with that decade includes the Cold War McCarthyism racial segregation self satisfied prosperity and empty materialism The failings are coupled with ignoring poverty and other social problems complacency conformity the suppression of women and puritanical attitudes toward sex In all the conventional wisdom sees the decade as bland and boring with commonly accepted people paralyzed with fear of war Communism or McCarthyism or all three Alan J Levine shows that the commonly accepted picture of the 1950s is flawed It distorts a critical period of American history That distortion seems to be dictated by an ideological agenda including an emotional obsession with a sentimentalized version of the 1960s that in turn requires maintaining a particular misleading view of the post World War II era that preceded it Levine argues that a critical view of the 1950s is embedded in an unwillingness to realistically evaluate the evolution of American society since the 1960s Many and not only liberals and those further to the left desperately desire to avoid seeing or admitting just how badly many things have gone in the United States since the 1960s Bad Old Days shows that the conventional view of the 1950s stands in opposition to the reality of the decade Far from being the dismal prelude to

a glorious period of progress the postwar period of the late 1940s and 1950s was an era of unprecedented progress and prosperity This era was then derailed by catastrophic political and economic misjudgments and a drastic shift in the national ethos that contributed nothing or less than nothing to a better world      Liberalism and Its Discontents Francis Fukuyama,2022-05-10 A short book about the challenges to liberalism from the right and the left by the bestselling author of The Origins of Political Order Classical liberalism is in a state of crisis Developed in the wake of Europe s wars over religion and nationalism liberalism is a system for governing diverse societies which is grounded in fundamental principles of equality and the rule of law It emphasizes the rights of individuals to pursue their own forms of happiness free from encroachment by government It s no secret that liberalism didn t always live up to its own ideals In America many people were denied equality before the law Who counted as full human beings worthy of universal rights was contested for centuries and only recently has this circle expanded to include women African Americans LGBTQ people and others Conservatives complain that liberalism empties the common life of meaning As the renowned political philosopher Francis Fukuyama shows in Liberalism and Its Discontents the principles of liberalism have also in recent decades been pushed to new extremes by both the right and the left neoliberals made a cult of economic freedom and progressives focused on identity over human universality as central to their political vision The result Fukuyama argues has been a fracturing of our civil society and an increasing peril to our democracy In this short clear account of our current political discontents Fukuyama offers an essential defense of a revitalized liberalism for the twenty first century      Civilization and Its Discontents Sigmund Freud,2005 What influences led to the creation of civilization How did it come to be What determines its course In this seminal volume of 20th century thought Freud elucidates the contest between aggression the death drive and its adversary eros      **Civility and Its Discontents** Christine T. Sistare,2004 Contributors from philosophy and political science discuss the observation that civility civic virtue tolerance and socio cultural unity have declined while exploring the nature of civil society the conflict between individual liberty and the common good and the role of law and government policy in weaving the threads of the social fabric From publisher description      *The American Dream* Jim Cullen,2004 Cullen particularly focuses on the founding fathers and the Declaration of Independence the charter of the American Dream Abraham Lincoln with his rise from log cabin to White House and his dream for a unified nation and Martin Luther King Jr s dream of racial equality Our contemporary version of the American Dream seems rather debased in Cullen s eyes built on the cult of Hollywood and its outlandish dreams of overnight fame and fortune      *Broke* Glenn Beck,Kevin Balfe,2010-10-26 Glenn Beck the New York Times bestselling author of The Great Reset showcases his distinctive humor in taking on the political landscape in his fight to fix America before it s too late As the most important presidential election in our history looms ask yourself Are America s finances in better shape than they were four years ago Or are we still BROKE THE FACTS THE FUTURE THE FIGHT TO FIX AMERICA BEFORE IT S TOO LATE Our nation is financially broke but that s just a side effect of our broken spirit our broken faith in government the

broken promises by our leaders and a broken political system that has centralized power at the expense of individual rights How did we get into this mess Glenn Beck thinks the answer is pretty simple Because we've turned our backs on the Constitution Few of us have ever seen the whole picture and politicians have done everything in their power to hide the truth Broke exposes what we're really facing and how to fix it Packed with great stories from history invaluable teachable moments and Glenn Beck's trademark combination of entertainment and enlightenment Broke makes the case that when you're traveling in the wrong direction slight course corrections won't cut it you need to take drastic action Through a return to individual rights an uncompromising adherence to the Constitution and a complete rethinking about the role of government in a free society Glenn exposes the idea of transformation for the progressive smokescreen that it is and instead builds a compelling case that restoration is the only way forward With this awareness it's much easier to develop a realistic plan for uniting all Americans around the concept of shared sacrifice After all this generation may not be asked to storm beaches but we are being asked to do something just as critical to preserving freedom

**The American Dream** Lawrence R. Samuel, 2012-08-27 There is no better way to understand America than by understanding the cultural history of the American Dream Rather than just a powerful philosophy or ideology the Dream is thoroughly woven into the fabric of everyday life playing a vital role in who we are what we do and why we do it No other idea or mythology has as much influence on our individual and collective lives Tracing the history of the phrase in popular culture Samuel gives readers a field guide to the evolution of our national identity over the last eighty years Samuel tells the story chronologically revealing that there have been six major eras of the mythology since the phrase was coined in 1931 Relying mainly on period magazines and newspapers as his primary source material the author demonstrates that journalists serving on the front lines of the scene represent our most valuable resource to recover unfiltered stories of the Dream The problem however is that it does not exist the Dream is just that a product of our imagination That it is not real ultimately turns out to be the most significant finding about the American Dream and what makes the story most compelling

*Hired to Fight, Hired to Win* Dennis W. Johnson, 2015-06-26 When it comes to elections campaigns matter And despite the ever increasing role of volunteers and amateurs modern American political campaigns are a professional affair Understanding how they are run and how campaign strategies are set requires an in depth analysis of what political consultants do from opposition research to public opinion polling and from directing media strategies to mobilizing voters with fundraising a priority at all stages At all levels of the electoral arena modern sophisticated campaigns cannot hope to be effective without the guiding disciplines of professional consultants This thoroughly updated edition of Dennis W Johnson's classic text originally titled *No Place for Amateurs* highlights the growing importance of social media targeting and analytics Super PACs and dark money in a post Citizens United world

**The Family Handbook** Herbert Anderson, 1998-01-01 This encyclopedic volume brings clarity and focus to a multitude of family issues The expert contributors deal with practical and important questions thereby providing

information of significant usefulness to social workers therapists lawyers ministers and health care professionals Those who work with families will learn new techniques and see their efforts in a larger context An extensive directory of family resources provides the reader with helpful and practical information The Family Culture and Religion series offers informed and responsible analyses of the state of the American family from a religious perspective and provides practical assistance for the family s revitalization

**Urban Growth Management and Its Discontents** Y. Dierwechter,2008-06-23 This book introduces synthesizes and evaluates spatial planning for growth management in the contemporary USA It discusses the neglected relationship between the actual environmental results of various state growth management systems and the geographically diverse politics of discontent with these various systems

**Mad as Hell** Dominic Sandbrook,2011-02-15 I m mad as hell and I m not going to take it anymore The words of Howard Beale the fictional anchorman in the 1970s hit film Network struck a chord with a generation of Americans From the disgrace of Watergate to the humiliation of the Iran hostage crisis the American Dream seemed to be falling apart In this magisterial new history Dominic Sandbrook re creates the schizophrenic atmosphere of the 1970s the world of Henry Kissinger and Edward Kennedy Anita Bryant and Jerry Falwell Bruce Springsteen and Tom Landry He takes us back to an age when feminists were on the march and the Communists seemed to be winning the Cold War but also when a new kind of right wing populism was transforming American politics from the ground up Those years gave us organic food disco music gas lines and gay rights but they also gave us Proposition 13 the neoconservative movement and the rise of Ronald Reagan From the killing fields of Vietnam to the mean streets of Manhattan this is a richly compelling picture of the turbulent age in which our modern day populist politics was born For those who remember the days when you could buy a new Ford Mustang II but had to wait hours to fill the tank this could hardly be a more vivid book And for those born later it is the perfect guide to a tortured landscape that shaped our present from the financial boardroom to the suburban bedroom the extraordinary world of 1970s America

**Cultural Melancholia: US Trauma Discourses Before and After 9/11** Christina Cavedon,2015-09-01 In Cultural Melancholia US Trauma Discourses Before and After 9 11 Christina Cavedon frames her examination of 9 11 fiction especially Jay McInerney s The Good Life and Don DeLillo s Falling Man with a thorough discussion of what US reactions to the terrorist attacks of September 11 2001 disclose about American culture Offering a comparative reading of pre and post 9 11 literary public and academic discourses she deconstructs the still commonly held belief that cultural repercussions of the attacks primarily testify to a cultural trauma in the wake of the collectively witnessed media event She innovatively re interprets discourses to be symptomatic of a malaise which had afflicted American culture already prior to 9 11 and can best be approached with melancholia as an analytical concept

**No Place for Amateurs** Dennis W. Johnson,2001 Offers an insider s tour through the fast paced often sordid world of the professional political campaign

**The Poverty of Progressivism** Jeffrey C. Isaac,2003 Linking together political theory American history journalism and contemporary commentary this book defends a democratic

politics of civil society without illusions      *Patriots, Settlers, and the Origins of American Social Policy* Laura Jensen, 2003-04-21 *Patriots Settlers and the Origins of American Social Policy* offers a pathbreaking account of the pivotal role played by entitlement policies during the first hundred years of the United States existence. Contrary to the story of developmental delay contained in the standard historiography, Laura Jensen reveals that national social policies not only existed in early America but also were a major instrument by which the fledgling US government built itself and the new nation. From 1776 on, Federal pensions and land entitlements figured prominently in the growth and empowerment of a unique American state: the consolidation and expansion of the country and the political incorporation of a diverse citizenry. The book provides a rich account of how governing institutions, public expectations, ideas about law and legality, political necessity, and public policy gave shape to definitions of need, worth, and eligibility in late eighteenth and nineteenth century America.

**Immigrants and Boomers** Dowell Myers, 2007-02-22 This story of hope for both immigrants and native born Americans is a well researched, insightful, and illuminating study that provides compelling evidence to support a policy of homegrown human investment as a new priority. A timely, valuable addition to demographic and immigration studies. Highly recommended. Choice. Virtually unnoticed in the contentious national debate over immigration is the significant demographic change about to occur as the first wave of the Baby Boom generation retires, slowly draining the workforce and straining the federal budget to the breaking point. In this forward looking new book, noted demographer Dowell Myers proposes a new way of thinking about the influx of immigrants and the impending retirement of the Baby Boomers. Myers argues that each of these two powerful demographic shifts may hold the keys to resolving the problems presented by the other. Immigrants and Boomers looks to California as a bellwether state where whites are no longer a majority of the population and represent just a third of residents under age twenty, to afford us a glimpse into the future impact of immigration on the rest of the nation. Myers opens with an examination of the roots of voter resistance to providing social services for immigrants. Drawing on detailed census data, Myers demonstrates that long established immigrants have been far more successful than the public believes. Among the Latinos who make up the bulk of California's immigrant population, those who have lived in California for over a decade show high levels of social mobility and use of English, and 50 percent of Latino immigrants become homeowners after twenty years. The impressive progress made by immigrant families suggests they have the potential to pick up the slack from aging boomers over the next two decades. The mass retirement of the boomers will leave critical shortages in the educated workforce while shrinking ranks of middle class tax payers and driving up entitlement expenditures. In addition, as retirees sell off their housing assets, the prospect of a generational collapse in housing prices looms. Myers suggests that it is in the boomers' best interest to invest in the education and integration of immigrants and their children today in order to bolster the ranks of workers, taxpayers, and homeowners America. They will depend on ten and twenty years from now. In this compelling, optimistic book, Myers calls for a new social contract between the older and younger generations.

based on their mutual interests and the moral responsibility of each generation to provide for children and the elderly Combining a rich scholarly perspective with keen insight into contemporary political dilemmas Immigrants and Boomers creates a new framework for understanding the demographic challenges facing America and forging a national consensus to address them

**Requiem For Modern Politics** William Ophuls,2019-05-20 This long promised sequel to Ophuls s influential and controversial classic Ecology and the Politics of Scarcity is an equally provocative critique of the liberal philosophy of government Ophuls contends that the modern political paradigm that is the body of political concepts and beliefs bequeathed to us by the Enlightenment is no longer intellectually tenable or practically viable Our attempt to live individualistically hedonistically and rationally has failed utterly causing a comprehensive crisis that is at once political military economic ecological ethical psychological and spiritual Liberal politics has abandoned virtue rejected community and flouted nature thereby becoming the author of its own demise By exposing the intrinsically contradictory and self destructive character of Hobbesian political systems Ophuls subverts our conventional wisdom at every turn Indeed his impassioned text reads more like a Greek tragedy than a conventional political argument He critiques feminism multiculturalism the welfare state and a host of other liberal shibboleths but Ophuls is not yet another neoconservative The aim of his thesis is far more radical and progressive offering a political vision that entirely transcends the categories of liberal thought His is a Thoreauvian vision of a politics of consciousness rooted in ecology as the moral and intellectual basis for governance in the twenty first century Ophuls holds that a polity based on a renewed erotic connection with nature offers a genuine solution to this crisis of contemporary civilization and that only within such a polity will it be possible to fulfill the worthy liberal goal of individual self development Ophuls s work will interest and challenge a wide spectrum of readers though it will not necessarily be well liked or easily accepted No one will put down this book with his or her settled convictions about American culture intact nor will readers ever again take modern civilization and its survival for granted

**The Politics of the American Dream** C. Ghosh,2012-12-28 The Politics of the American Dream analyzes the role of the American Dream in contemporary American political culture Utilizing analytic political theory Ghosh creates a unique picture of Dream Politics and shows the effect on the landscape of American politics

## Good Life And Its Discontents Introduction

In the digital age, access to information has become easier than ever before. The ability to download Good Life And Its Discontents has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Good Life And Its Discontents has opened up a world of possibilities. Downloading Good Life And Its Discontents provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Good Life And Its Discontents has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Good Life And Its Discontents. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Good Life And Its Discontents. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Good Life And Its Discontents, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Good Life And Its Discontents has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

## **FAQs About Good Life And Its Discontents Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Good Life And Its Discontents is one of the best book in our library for free trial. We provide copy of Good Life And Its Discontents in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Good Life And Its Discontents. Where to download Good Life And Its Discontents online for free? Are you looking for Good Life And Its Discontents PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Good Life And Its Discontents. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Good Life And Its Discontents are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Good Life And Its Discontents. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Good Life And Its Discontents To get started finding Good Life And Its Discontents, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Good Life And Its Discontents So depending on what exactly you are searching, you will be

able to choose ebook to suit your own need. Thank you for reading Good Life And Its Discontents. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Good Life And Its Discontents, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Good Life And Its Discontents is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Good Life And Its Discontents is universally compatible with any devices to read.
