Good You Do Returns:

Business Taxpayer Information Publications, 2002 Return to Jesus Pastor Curt Moore, 2011-09-07 We hear it said and preached constantly to live like Jesus to be like Jesus We are challenged to live for Jesus and not be conformed to the ways of the world But what does it really mean to live in such a way What does it mean to serve God through Jesus Christ If you think it is moral living only you d be wrong If you think it s doing good deeds alone you d be wrong Maybe you truly do not know what it means to live like Jesus to be like Jesus RETURN TO JESUS A Vision of Self Giving Love will teach you to live as Christ lived and to be like Christ It is a call to renewal for the Christian church and to enhance your daily walk in Christ It will take you on a journey through the scripture and give you the tools to live in the self giving love which Jesus lived and taught Unlike many other books on love RETURN TO JESUS sets forth a scripture foundation and basis for following Jesus in living a life of agape or self giving love It also chronicles the author s journey to this realization of truth that was there in scripture all along The reader will come to see that love is not just a word to be bandied about but is agape This is the self giving love which Jesus not only lived and taught but is the basis for all God s laws and messages from scripture There will be renewed vision as you begin to understand the purpose that our Heavenly Father desired for your life from the beginning Thus you will become a more effective witness for Jesus as you learn to live your life as he did RETURN TO JESUS will teach you the fullness of the agape message and will forever change your view of what it means to be a Christian For some it will be an affirmation of something that has been stirring in their Spirit which they have not been able to fully understand or put into words For others it will be a completely different understanding of walking daily in Christ For everyone who receives and begins to live out this message their life in Christ will never be the same Below is an excerpt from the book that will give you an idea of the message which lies within *The Return Of All That Is Good* John Ernest Monse, 2019-01-09 The Return Of All That Is Good follows our hero Banta Algthrop from another universe where his people matured enough to be pulled into the service of the Mighty Spirit They are transported to planet Earth becoming our constant companions and protectors without us ever knowing We read about Banta s and his companion s constant watchfulness from an ancient time when people lived around campfires on to a place where families settled a new country and finishing his service when the King of All steps upon this planet to continue His work into the next age Banta Algthrop s people are an energe *Leonardo's Return* Andrew J.
