**And Bring the Darkness Home** Greg Milam, 2021-06-21 And Bring the Darkness Home is a haunting exploration of how the mental scars of war destroyed an international cricket career tore a family apart and left destitute a man who seemed to have it all Tony Dell was the only Test cricketer to fight in the Vietnam War His journey to the summit of the game playing for Australia against England in the Ashes was as unlikely and meteoric as any in cricket history His descent was painful and harrowing It was in his mid 60s living in his mother's garage that he learned the truth about what had led him on a path of self destruction A diagnosis of post traumatic stress disorder allowed him to piece together the ruins of his life and also to search for answers for himself and the thousands of other sufferers The restlessness and urgency that once drove him to the top of the game was turned on authorities who refused to learn the lessons from history PTSD robbed Tony Dell of memories of his playing career and left a palpable sense of loss It also gave him a life changing mission
