Goon Show 7 Ying Tong Iddle I Po:

The Language of Surrealism Peter Stockwell, 2016-10-14 The Language of Surrealism explores the revolutionary experiments in language and mind undertaken by the surrealists across Europe between the wars Highly influential on the development of art literary modernism and current popular culture surrealist style remains challenging striking resonant and thrilling and the techniques by which surrealist writing achieves this are set out clearly in this book Stockwell draws on recent work in cognitive poetics and literary linguistics to re evaluate surrealism in its own historical setting In the process the book questions later critical theoretical views of language that have distorted our ideas about both surrealism and language itself What follows is a piece of literary criticism that is fully contextualised historically sensitive and textually driven and which sets out in rich and readable detail this most intriguing and disturbing literature The Real Peter Sellers

Andrew Norman, 2022-01-12 Throughout the world people regard Peter Sellers purely as a comedic genius surely one of the greatest ever to have lived But the astute observer will notice that he always appeared to be acting even when being interviewed So who was Peter Sellers Sellers once said I could never be myself you see There is no Me I do not exist There used to be me but I had it surgically removed Clearly this was not intended to be taken literally Instead the inference is that somehow he had lost his sense of identity To discover the real Peter Sellers is no easy task and when we do what we encounter is a totally different persona from the comedic characters that he portrayed on the screen Sellers had celebrity status a succession of beautiful wives immense wealth magnificent motor cars expensive yachts a house in Mayfair and various palatial residences But far from being happy he was plagued by self doubt ambitious but never satisfied And so he resorted to superstition clairvoyance and drugs to get himself through the day For all Sellers worldwide fame as Inspector Clouseau many regard the film Being There in which he played the character Chance a gardener as his masterpiece In fact the film was a damning indictment of the false god of materialism Sellers obsession with the character of Chance makes it seem likely that this was the kind of person he aspired to be and wished that he had been **William & Harry** Ingrid
