The Problem of Immortality Radoslav Andrea Tsanoff, 1924

Do The Gods Wear Capes? Ben Saunders, 2011-06-02 Brash bold and sometimes brutal superheroes might seem to epitomize modern pop culture at its most melodramatic and mindless But according to Ben Saunders the appeal of the superhero is fundamentally metaphysical even spiritual in nature In chapter length analyses of the early comic book adventures of Superman Wonder Woman Spider Man and Iron Man Saunders explores a number of complex philosophical and theological issues including the problem of evil the will to power the tension between intimacy and vulnerability and the challenge of love in the face of mortality He concludes that comic book fantasies of the superhuman ironically reveal more than we might care to admit about our human limitations even as they expose the falsehood of the characteristically modern opposition between religion and science Clearly and passionately written this insightful and at times exhilarating book should delight all readers who believe in the redemptive capacity of the imagination regardless of whether they consider themselves comic book fans

The Gospel According to Hollywood Greg Garrett, 2007-01-01 In this new book in the Gospel According To series Garrett looks at the theological elements in dozens of classic Hollywood films including a discussion about what the new openness to spirituality in the movies might mean for the future of American cinema and American religion Biblical Studies

Impossible Way: The Way, The Truth & The Life (The Complete Trilogy) Marcus A. Allen, 2020-03-23 The words of this book are based upon Christ's declaration I am the way the truth and the life St John 14:6 This Holy Ghost inspired book will have every reader reexamining their faith in Christ their walk in God and even the way they currently display God's Agape love in this world I am come unto you as a friend and truly I write unto you in much fear and trembling in the Holy Ghost I come not in mine own name but in the name of him who has sent me to testify unto the truth and in him is no lie even he which is Jesus Christ our Lord Now there is utterly a fault in the church from the least to the greatest those who preach haven't been sent to preach and those who teach have not the anointing and those who prophesy unto you have prophesied a lie because they have altogether deceived the people and because of your carrying away you shall be one with their damnation While reading this book you shall learn the truth of your God and Creator and of his Son Jesus Christ You shall learn how to identify the voice of God in your hearing and how he speaks to you You will learn how and why the Lord God is so attached to man and why he loves man so much You will learn why you must be born again moreover you will discover what it is you need to do what's your part in the kingdom of God to truly be a light to others in this world You will discover the reason why both faith and love are the keys to life in the kingdom of God and the role they play in salvation You will learn how to properly utilize and deploy your faith in a powerful new way And even though you might know the basics of faith today you will learn why its works have been a great mystery to the church Today we will unlock this mystery together and you will find that you now not only can please God but that you will also learn how easy it is for you to do his will and overcome all things by faith You will also learn who your heavenly Father really is as you come to realize that he has been waiting a long to meet you Above all else you will learn the reasons why the miracles spoken of in St Mark 16:16-18 are not occurring in the church today and why the ministers and preachers of our day have not been bringing forth the word with signs following as had the apostles You will be taught many things that you may have never been taught in the church or have been taught improperly such as the Constancy the Fidelity and the Faithfulness of God in the reality of himself You will learn not only what these words mean but you will learn how to apply them to your life as you grow in Christ Little children I am only asking of you is to listen to his voice today This book is a book of instructions given in hopes of making YOU ALL true Disciples of Christ My one and only prayer for you all is that you don't miss out on the opportunity to learn the truth about your heavenly Father so that you do not go The Impossible Way

Cultural Legal Studies Cassandra Sharp, Marett Leiboff, 2015-07-24 What can law's popular cultures do for law as a constitutive and interrogative critical practice This collection explores such a question through the

lens of the cultural legal studies movement which proffers a new encounter with the cultural turn in law and legal theory Moving beyond the law and literature humanities culture film visual and aesthetics on which it is based this book demonstrates how the techniques and practices of cultural legal studies can be used to metamorphose law and the legalities that underpin its popular imaginary By drawing on three different modes of cultural legal studies storytelling technology and jurisprudence the collection showcases the intersectional practices of cultural legal studies and law in its popular cultural mode The contributors to the collection deploy differentiated modes of cultural legal studies practice adopting diverse philosophical disciplinary methodological and theoretical approaches and subjects of examination The collection draws on this mix of diversity and homogeneity to thread together its overarching theme that we must take seriously an interrogation of law as culture and in its cultural form That is it does not ask how a text represents law but rather how the representational nature of both law and culture intersect so that the juridical become visible in various cultural manifestations In short it asks how law's popular cultures actively effect the metamorphosis of law
