Gospel Criticism And Form Criticism:

Candid Questions Concerning Gospel Form Criticism Erhardt Gütgemanns, 1979-01-01 Pittsburgh Theological Monograph Series General Editor Dikran Y Hadidian **What is Form Criticism?** Edgar McKnight, 1997-09-29 Dr McKnight begins his analysis of form criticism with a brief historical survey of the development of critical New Testament scholarship from the eighteenth century He then describes the pioneer efforts of Martin Dibelius and Rudolf Bultmann in applying form criticism to the synoptic Gospels Professor McKnight believes that the form critical work of some contemporary scholars has greatly enriched our understanding of the Parables and has added much to our knowledge about the historical Jesus **From Tradition to Gospel** Martin Dibelius, 2022-01-27 First published in 1919 From Tradition to Gospel introduced and established Form Criticism in New Testament scholarship and it remains the classic description of the field Dibelius outlines the twofold object of Form Criticism firstly to explain the origin of the tradition about Jesus and secondly to uncover with what objective the earliest Churches learnt recounted and passed on the stories and sayings of Jesus which gradually developed into the Gospel narratives In doing so he begins to answer questions as to the nature and trustworthiness of our knowledge of Jesus As new sources come to light and new critical techniques are developed the original investigation into the Gospels along Form Critical lines is as relevant as ever Gospel Criticism and Form Criticism William Emery Barnes, 1936 **The Gospels and the Critic** Alfred Walter Frank Blunt, 1936 **Candid Questions Concerning Gospel Form Criticism** Erhardt Guttgemanns, 1979-01-01 Pittsburgh Theological Monograph Series General Editor Dikran Y Hadidian The Logic of Gospel Criticism Humphrey Palmer, 1968 **The New Testament and Criticism** George Eldon Ladd, 1967 One unfortunate consequence of the bitter fundamentalist modernist controversy which raged in the early twenties has been the strongly negative attitude toward Biblical criticism assumed by some of the successors to the fundamentalists of the 1920s Such people according to the author insist that the critical method is basically hostile to the evangelical faith and they have continued to oppose any use of it Others however claiming the same heritage believe that the orthodox interpretation of the Gospel can be defended positively and constructively only with the aid of a sound critical method and the results of critical scholarship The author believes that an evangelical Biblical criticism is not only possible but necessary The central thesis of his book is that the Bible is the Word of God given in the words of men in history and as such its historical origins must be reconstructed as far as possible In this way a richer understanding of the Scriptures can be achieved **Form Criticism** Rudolf Bultmann, 1966 *Clumsy Construction in Mark's Gospel* John C. Meagher, 1979 This text proposes that Mark's gospel shows evidence of the distorting clumsiness that has always beset the ordinary if occasionally creatively talented storyteller **What Are the Gospels?** Richard A. Burridge, 2004-08-09 The publication of Richard Burridge's *What Are the Gospels?* in 1992 inaugurated a transformation in Gospel studies by overturning the previous consensus about Gospel uniqueness Burridge argued convincingly for an understanding of the

Gospels as biographies a ubiquitous genre in the Graeco Roman world To establish this claim Burridge compared each of the four canonical Gospels to the many extant Graeco Roman biographies Drawing on insights from literary theory he demonstrated that the previously widespread view of the Gospels as unique compositions was false Burridge went on to discuss what a properly biographical perspective might mean for Gospel interpretation which was amply demonstrated in the revised second edition reflecting on how his view had become the new consensus This third twenty fifth anniversary edition not only celebrates the continuing influence of *What Are the Gospels* but also features a major new contribution in which Burridge analyzes recent debates and scholarship about the Gospels Burridge both answers his critics and reflects upon the new directions now being taken by those who accept the biographical approach This new edition also features as an appendix a significant article in which he tackles the related problem of the genre of Acts A proven book with lasting staying power *What Are the Gospels* is not only still as relevant and instructive as it was when first published but will also doubtlessly inspire new research and scholarship in the years ahead Provided by publisher

Gospel Criticism and Form Criticism
Emery W. Barnes,1978-06-01 *Handbook of Biblical Criticism* Richard N. Soulen,R. Kendall Soulen,2001-01-01 Integrating the newest methods and theories of biblical studies this third edition contains over 800 terms phrases names explanations of common abbreviations notes on major methodologies and exegetical basics biographical sketches of key figures in the history of research analytical outlines of fundamental critical problems a list of bibliographic tools plus an invaluable Diagram of Biblical Interpretation *Handbook of Biblical Criticism, Fourth Edition* Richard N. Soulen,R. Kendall Soulen,2011-11-23 The fourth edition of this best selling textbook continues to be a valuable resource for the beginning student in the critical study of the Bible Thoroughly revised to include the newest methods recent discoveries and developments in the field of biblical criticism over the past decade the *Handbook of Biblical Criticism* is designed to be a starting point for understanding the vast array of methods approaches and technical terms employed in this field Updates in this edition also include an expanded dictionary of terms phrases names and frequently used abbreviations as well as a bibliography that includes the most up to date date publications The *Handbook of Biblical Criticism* is a valuable introductory textbook and a reliable guide for pastors laypersons and scholars whose expertise lies in other fields *Dictionary of Jesus and the Gospels* Joel B. Green,Scot McKnight,I. Howard Marshall,1992-02-18 Edited by Joel B Green Scot McKnight and I Howard Marshall this reference work encompasses everything relating to Jesus and the Gospels

The Historical-Critical Method: A Guide for the Perplexed David R. Law,2012-04-26 Historical Critical Analysis is the main way in which the Bible both the Hebrew Bible Old Testament and the New Testament has been examined and read by scholars in the last century The term refers to a range of methodologies which examine the origins of biblical texts in relation to other contemporaneous texts to form critical approaches and to questions of authorship audience and authenticity The aim is to get as close to the original text and its original meaning as possible For many years Historical Critical Method has been the cornerstone upon which biblical

scholarship is built even as modern studies examine other theoretical approaches to reading the text in history tradition and from different audience perspectives the Historical Critical Method still presents the crucial starting point for students and scholars

Characterization in the Gospels David Rhoads, Kari Syreeni, 1999-01-01 This volume examines characterization in the four Gospels and in the Sayings Gospel Q Peter in Matthew Lazarus in John and Jesus as Son of Man in Q are examples of the characters studied The general approach is narrative critical At the same time each contribution takes special effort to widen the scope beyond the narrated world to include the text's ideological and real life setting as well as its effective history New ways of doing narrative criticism are thus proposed The concluding essay by David Rhoads delineates the development and envisions the future of narrative criticism in Gospel studies BIBLICAL CRITICISM

Edward D. Andrews, F. David Farnell, Thomas Howe, Thomas Marshall, Dianna Nedwman, 2017-10-29 **Form Criticism;**

Two Essays on New Testament Research Frederick Clifton Grant, 1962 *CSB Harmony of the Gospels* Steven L. Cox, Kendell Easley, CSB Bibles by Holman, 2024-06-15 CSB Harmony of the Gospels is a synchronized reading of the Gospels based on the work of John A Broadus and A T Robertson with each Gospel writer's account of events side by side In addition to the harmonious layout articles and commentary notes are included to provide deeper understanding of the four Gospels and the harmonized account of the life and teachings of Jesus CSB Harmony of the Gospels features the highly readable highly reliable text of the Christian Standard Bible CSB The CSB captures the Bible's original meaning without sacrificing clarity making it easier to engage with Scripture's life transforming message and to share it with others

Adopting the Track of Expression: An Mental Symphony within **Gospel Criticism And Form Criticism**

In a global consumed by displays and the ceaseless chatter of fast conversation, the melodic elegance and emotional symphony produced by the prepared term frequently disappear into the backdrop, eclipsed by the relentless sound and interruptions that permeate our lives. But, nestled within the pages of **Gospel Criticism And Form Criticism** a marvelous literary treasure full of natural emotions, lies an immersive symphony waiting to be embraced. Crafted by a wonderful composer of language, this interesting masterpiece conducts readers on a psychological trip, skillfully unraveling the concealed melodies and profound affect resonating within each carefully constructed phrase. Within the depths with this poignant assessment, we will investigate the book is key harmonies, analyze its enthralling writing design, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.
