The Gospel narrative of our Lord's ministry, the second year, harmonized: with reflections Isaac Williams,1848

The Mirage Shall Become a Pool Ondrej Hron,2012-11-01 Few things are as important as our notions of justice and mercy Yet how are we to make sense of our moral treatment of the poor given all the political philosophical and theological voices While Christian Scripture is not silent on the matters of social justice and charity even here our variously conditioned presuppositions cause us significant interference Only a careful hermeneutical reset can move us beyond our personal and cultural situatedness This requires a thorough exploration of both interpretative strategies and pertinent scriptural witnesses So how would the New Testament witness have us treat the materially needy How do we act justly and love mercy in walking humbly with our God *Lectionary Preaching Workbook* John R. Brokhoff,1993 *Come to the Light* Brendan Byrne, SJ,2021-07-15 These profound and inspiring reflections on the Gospel of John will open to preachers religious and parish groups interested in Scripture the treasures that the Fourth Gospel contains for the life of the world Brendan Byrne draws on the insights in *Life Abounding* his academic commentary on the Fourth Gospel to enrich the understanding of non scholars in *Come to the Light* Discussion questions provided at the end of each talk serve as a starting point for the reader's personal contemplation **T&T Clark Handbook of Christian Prayer** ,2021-12-16 The essays collected in this volume provide a resource for thinking theologically about the practice of Christian prayer In the first of four parts the volume begins by reaching back to the biblical foundations of prayer Then each of the chapters in the second part investigates a classical Christian doctrine including God creation Christology pneumatology providence and eschatology from the perspective of prayer The chapters in the third part explore the writings of some of the great theorizers of prayer in the history of the Christian tradition The final part gathers a set of creative and critical conversations on prayer responding to a variety of contemporary issues Overall the T T Clark Handbook of Christian Prayer articulates a theologically expansive account of prayer one that is deeply biblical energetically doctrinal historically rooted and relevant to a whole host of critical questions
