Gottschild,2016-04-30 What is the essence of black dance in America To answer that question Brenda Dixon Gottschild maps an unorthodox geography the geography of the black dancing body to show the central place black dance has in American culture From the feet to the butt to hair to skin face and beyond to the soul spirit Brenda Dixon Gottschild talks to some of the greatest choreographers of our day including Garth Fagan Francesca Harper Meredith Monk Brenda Buffalino Doug Elkins Ralph Lemon Fernando Bujones Bill T Jones Trisha Brown Jawole Zollar Bebe Miller Sean Curran and Shelly Washington to look at the evolution of black dance and it s importance to American culture This is a groundbreaking piece of work by one of the foremost African American dance critics of our day **The African American Experience** Arvarh E. Strickland,Robert E. Weems Jr.,2000-11-30 Compared to the early decades of the 20th century when scholarly writing on African Americans was limited to a few titles on slavery Reconstruction and African American migration the last thirty years have witnessed an explosion of works on the African American experience With the Civil Rights and Black Power movements

of the 1960s came an increasing demand for the study and teaching of African American history followed by the publication of increasing numbers of titles on African American life and history This volume provides a comprehensive bibliographical and analytical guide to this growing body of literature as well as an analysis of how the study of African Americans has changed *The Greenwood Encyclopedia of African American Folklore: Q-Z* Anand Prahlad,2006 Contains over seven hundred entries on African American folklore including music art foodways spiritual beliefs and proverbs Critical Issues In American Art Mary Ann Calo,2018-02-12 This anthology of essays on different critical approaches and methodologies for the analysis and interpretation of American art and artists is designed for students and teachers in American art history and American studies programs It contains twenty selections from academic journals on American art from colonial times to 1940 Mary Ann Calo provides an introduction to the anthology explaining its purpose and organization and each selection has a brief introduction about its main focus and scholarly approach These case studies show the diversity of scholarly thinking about interpreting American works of art which should be useful for teachers and comprehensible and interesting for students This anthology contains twenty articles on American art from colonial times to 1940 The selections are mainly from academic journals and aim to provide the student and teacher with different critical approaches and methodologies for the analysis and interpretation of American art and artists Mary Ann Calo s preface to the anthology explains its purpose and organization and each article will have a brief introduction about its main focus and scholarly approach This text meets the need in American art history studies for an anthology of essays on critical approaches and methodologies The Oxford Handbook of Musical Repatriation Frank Gunderson,Robert C. Lancefield,Bret Woods,2019-09-09 The Oxford Handbook of Musical Repatriation is a significant edited volume that critically explores issues surrounding musical repatriation chiefly of recordings from audiovisual archives The Handbook provides a dynamic and richly layered collection of stories and critical questions for anyone engaged or interested in repatriation or archival work Repatriation often is overtly guided by an ethical mandate to return something to where it belongs by such means as working to provide reconnection and Indigenous control and access to cultural materials Essential as these mandates can be this remarkable volume reveals dimensions to repatriation beyond those which can be understood as simple acts of giving back or returning an archive to its homeland Musical repatriation can entail subjective negotiations involving living subjects intangible elements of cultural heritage and complex histories situated in intersecting webs of power relations and manifold other contexts The forty eight expert authors of this book s thirty eight chapters engage with multifaceted aspects of musical repatriation situating it as a concept encompassing widely ranging modes of cultural work that can be both profoundly interdisciplinary and embedded at the core of ethnographic and historical scholarship These authors explore a rich variety of these processes many streams making the volume a compelling space for critical analysis of musical repatriation and its wider significance The Handbook presents these chapters in a way that offers numerous emergent perspectives depending on one s chosen trajectory through the

volume From retracing the paths of archived collections to exploring memory performance research goals institutional power curation preservation pedagogy and method media and transmission digital rights and access policy and privilege intellectual property ideology and the evolving institutional norms that have marked the preservation and ownership of musical archives The Oxford Handbook of Musical Repatriation addresses these key topics and more in a deep richly detailed and diverse exploration
