Gospel Truth George Quayle Cannon,1974 *Gospel Truth* George Quayle Cannon,1957 *Gospel Truth* George Quayle Cannon,1987-01-01 **“This Is My Doctrine”: The Development of Mormon Theology** Charles R. Harrell,2011-08-05 The principal doctrines defining Mormonism today often bear little resemblance to those it started out with in the early 1830s This book shows that these doctrines did not originate in a vacuum but were rather prompted and informed by the religious culture from which Mormonism arose Early Mormons like their early Christian and even earlier Israelite predecessors brought with them their own varied culturally conditioned theological presuppositions a process of convergence and only later acquired a more distinctive theological outlook a process of differentiation In this first of its kind comprehensive treatment of the development of Mormon theology Charles Harrell traces the history of Latter day Saint doctrines from the times of the Old Testament to the present He describes how Mormonism has carried on the tradition of the biblical authors early Christians and later Protestants in reinterpreting scripture to accommodate new theological ideas while attempting to uphold the integrity and authority of the scriptures In the process he probes three questions How did Mormon doctrines develop What are the scriptural underpinnings of these doctrines And what do critical scholars make of these same scriptures In this enlightening study Harrell systematically peels back the doctrinal accretions of time to provide a fresh new look at Mormon theology This Is My Doctrine will provide those already versed in Mormonism s theological tradition with a new and richer perspective of Mormon theology Those unacquainted with Mormonism will gain an appreciation for how Mormon theology fits into the larger Jewish and Christian theological traditions **Doctrine and Covenants and Church History Study Guide for Home-Study Seminary Students** The Church of Jesus Christ of Latter-day Saints,2014-05-28 This manual was written as the course curriculum for home study seminary students It contains writing assignments for each of the 32 units It also contains insights images and doctrines and principles to help students with their individual study **Church History Study Guide, Pt. 1** Randal S. The Church of Jesus Christ of Latter-day Saints, 2013-11-26 President James E Faust 1920 2007 of the First Presidency explained the role of prophets and the need for the revelation they receive The prophets seers and revelators have had and still have the responsibility and privilege of receiving and declaring the word of God for the world These are the prophetic oracles who have tuned in over the centuries to the celestial transmitting station with a responsibility to relay the Lord s word to others This Church constantly needs the guidance of its head the Lord and Savior Jesus Christ This was well taught by President George Q Cannon while serving in the First Presidency We have the Bible the Book of Mormon and the Book of Doctrine and Covenants but all these books without the living oracles and a constant stream of revelation from the Lord would not lead any people into the Celestial Kingdom of God Gospel Truth Discourses and Writings of President George Q Cannon 2 vols sel Jerreld L Newquist 1974 1 323 Revelation was required to establish this Church Revelation has brought it from its humble beginnings to its present course Revelation has come like flowing living water Continuing revelation will lead it forward to the windup scene But as President J Reuben Clark told us we do not need more or different prophets We need more people with a listening ear in Conference Report Oct 1948 82 Continuing Revelation Ensign Aug 1996 2 4 6 7
