

The background of the book cover is a classical painting. The upper portion shows Jesus, dressed in a blue robe, standing on a rocky shore and gesturing towards a group of men in a small wooden boat on a calm lake. The men are dressed in simple tunics and loincloths. In the distance, a city with domes and minarets is visible on the horizon under a hazy sky. The lower portion of the cover features a close-up of a woman, likely Mary, sitting on a rocky shore. She is wearing a blue mantle over a reddish-brown tunic and has her hands clasped in her lap, looking down with a contemplative expression.

Blomberg, 2022-11-15 In Jesus and the Gospels New Testament scholar Craig Blomberg immerses the reader in the historical and cultural world of Gospel narratives for them to better understand and appreciate their focal point Jesus of Nazareth John and Thomas--Gospels in Conflict? Christopher W. Skinner, 2009-06-01 The hypothesis that the Fourth Gospel is a theological response to the Gospel of Thomas is a recent development in the study of the New Testament and early Christianity Assuming an early date for the Gospel of Thomas the proponents of this hypothesis argue that the supposed polemical presentation of Thomas in the Fourth Gospel is evidence of a conflict between the early communities associated respectively with John and Thomas However a detailed narrative study reveals that the Fourth Gospel portrays a host of characters disciples and non disciples in an equally unflattering light where an understanding of Jesus's origins message and mission are concerned The present study attempts to demonstrate that the Fourth Gospel's presentation of Thomas is part and parcel of its treatment of uncomprehending characters If this thesis is correct it poses a significant challenge to the assumption that the Fourth Gospel contains a polemic against Thomas or that it was written in response to the Gospel of Thomas or the community associated with Thomas *Weekday Lectionary* Liturgy Training Publications, 2002-02 LTP also publishes the Weekday Lectionary in a beautiful ritual edition Each of the three hardback volumes features a two column format bright white paper with large type and three grosgrain ribbons The sturdy binding allows the book to lie flat for proclamation LTP's tradition of beautiful ritual book design shines through in the eye catching gold foil stamping that graces each cover These ritual volumes are a wonderful addition to any place of worship Proper of Seasons for Weekdays Year II Proper of Saints Common of Saints **Reading the Gospels as Christian Scripture (Reading Christian Scripture)** Joshua W. Jipp, 2024-03-19 This survey textbook offers an accessible introduction to the four Gospels in their literary canonical and theological contexts In part 1 respected New Testament scholar Joshua Jipp focuses on these two questions What are the Gospels How did we get four canonical Gospels In part 2 Jipp explores the role that history narrative and

theology play in our reading of the Gospels Part 3 examines each of the four canonical Gospels from the perspectives of history narrative and theology particularly emphasizing the role the Gospels play in discipleship This is the third volume in a series of survey textbooks that will cover the Old and New Testaments Beautifully designed in full color with maps sidebars images and illustrations to hold interest and aid learning Reading the Gospels as Christian Scripture offers a faith friendly introduction to students of the Gospels Additional resources for instructors are available through Textbook eSources

Reading the Gospel of John's Christology as Jewish Messianism Benjamin Reynolds,Gabriele Boccaccini,2018-07-17 The essays in *Reading the Gospel of John s Christology as Jewish Messianism* Royal Prophetic and Divine Messiahs seek to interpret John s Jesus as part of Second Temple Jewish messianic expectations The Fourth Gospel is rarely considered part of the world of early Judaism While many have noted John s Jewishness most have not understood John s Messiah as a Jewish messiah The Johannine Jesus who descends from heaven is declared the Word made flesh and claims oneness with the Father is no less Jewish than other messiahs depicted in early Judaism John s Jesus is at home on the spectrum of early Judaism s royal prophetic and divine messiahs

Reading the Bible across Contexts Esa J. Autero,2016-06-10 In *Reading the Bible Across Contexts* Esa Autero offers a fresh perspective on Luke s poverty texts In addition to an historical reading he conducted an empirical investigation of two Latin American Bible reading groups one poor and the other affluent to shed

light on Luke's poverty texts. The interaction between historical reading and present day readings demonstrates the impact of socio-economic status on biblical hermeneutics and sheds new light on Luke's views on wealth and poverty. At the same time, Esa Autero critically examines liberation theologians' claim that poor are privileged biblical interpreters.

The Reading and Preaching of the Scriptures in the Worship of the Christian Church, Volume 1 Hughes Oliphant Old, 1998. In this volume, Hughes Oliphant Old begins his survey of the history of preaching by discussing the roots of the Christian ministry of the Word in the worship of Israel. He then examines the preaching of Christ, the Apostles, and early church leaders.

The Gospel According to St. Matthew John Wordsworth, 1883. The Melvill family and their Bible readings Harriet Warner Ellis, 1872.

A Way of Reading John's Gospel Graeme Finlay, 2024-11-21. John's Gospel presents a compelling eyewitness account of Jesus' mission. It is written in simple language but consists of a rich profusion of ideas and themes that challenge the most learned scholars and can overwhelm the understanding of ordinary readers. Surprisingly, part of this complexity arises from the observation that the text appears to be rich in chiasmic structures. This literary form is a Jewish style of writing in which a series of ideas or themes is developed and then repeated in reverse order. This pattern may be represented as for example A B C D D C B A. When the reader takes cognizance of this literary convention, the multiplicity of ideas falls into a more tractable pattern. This book is written by a layman for other ordinary readers in the hope that it will facilitate understanding of this Gospel in church and home study groups, Bible classes and schools, and family and personal devotions.
