Good Ones

M Carnoy

Good Ones:

The Good Ones Fike Daodu, 2024-11-17 Centering around a perfectionist Nigerian American girl whose senior year goes anything but according to plan Addy Oluwa navigates the antics, dramatics and imperfections of her last year of high school. Addy Oluwa has her entire life set out for her. She's the lead choreographer of her school's Pom Team with flawless grades and the title of valedictorian guaranteed. She's determined to make senior year her year where everything goes according to plan. Where she's no longer overlooked by performing her roles as Good Daughter, Good Student and Good Friend. When an unprecedented turn of events leaves Addy virtually friendless, teamless and blindsided, she's determined to get her life back on track by creating her own team with unexpected help. There's nothing Addy wants more than her perfect future. Thing is, her senior year plan doesn't account for everything turning upside down. A reverse it girl and an unserious drummer sliding into her life to show her that maybe good isn't all there is to her.

The Good Ones Bruce Weinstein, 2015-04-27 Employers look for two things when hiring or promoting people: knowledge and skill. They rarely, if ever, consider character. Yet character is the key to extraordinary business success. *The Good Ones* presents ten crucial qualities of high character employees: qualities that enhance employee satisfaction, client relationships and the bottom line. You'll read stories from managers and employees across the U.S. and beyond who reveal how honesty, courage, loyalty and patience have helped their organizations maintain an edge over the competition. Each chapter is devoted to a single quality of character and ends with questions employers can use to hire and promote the Good Ones: people who are consistently honest, accountable, fair and grateful. Whether you're looking to bring new people into your organization or seeking a job or promotion yourself, *The Good Ones* will help you appreciate, in practical terms, why character is the missing link to excellence.

The Good Ones Jenn McKinlay, 2019-02-05 A romance bookstore owner finds her own happily ever after with a single dad in a new romance series from the New York Times bestselling author of *Every Dog Has His Day*. Ryder Copeland is an accomplished architect and one heck of a father, not to mention tall and sexy. He's everything a hero should be, and Lord knows Maisy Kelly has read enough of her great aunt Eloise's romance novels to recognize one when she sees one. But like all fairy tales, Maisy can't help but wonder if this Prince Charming is too good to be true. Ryder is drawn to the shy, curly-haired professor who hires him to convert the Victorian house she's inherited from her aunt into a romance bookstore. Attracted to a woman for the first time since his divorce, Ryder finds himself wishing for a future with Maisy that he knows is impossible. Ryder has never wavered from his plan to leave the small town of Fairdale, North Carolina, so he can give his daughter the life she deserves. But suddenly, he's not so sure. And the closer he gets to Maisy, the harder it's going to be to walk away.

One of the Good Ones Maika Moulite, Maritza Moulite, 2021-01-05 One of the Good Ones is magic. Damon Young, author of *What Doesn't Kill You Makes You Blacker*, a shockingly powerful exploration of the lasting impact of prejudice and the indomitable spirit of sisterhood that will have readers questioning what it truly means to be an ally. From sister writer duo Maika Moulite and

Maritza Moulite authors of *Dear Haiti Love* *Alaine* ISBN T BEING HUMAN ENOUGH When teen social activist and history buff Kezi Smith is killed under mysterious circumstances after attending a social justice rally her devastated sister Happi and their family are left reeling in the aftermath As Kezi becomes another immortalized victim in the fight against police brutality Happi begins to question the idealized way her sister is remembered Perfect Angelic One of the good ones Even as the phrase rings wrong in her mind why are only certain people deemed worthy to be missed Happi and her sister Genny embark on a journey to honor Kezi in their own way using an heirloom copy of *The Negro Motorist Green Book* as their guide But there s a twist to Kezi s story that no one could ve ever expected one that will change everything all over again Astonishing Laura Ruby two time National Book Award finalist and author of *Bone Gap* Brilliant Kirkus Reviews starred review Thrilling SLJ starred review *Why Bad Policies Spread (and Good Ones Don't)* Charles R. Shipan, Craig Volden, 2021-09-23 Building on a deep theoretical foundation and drawing on numerous examples we examine how policies spread across the American states We argue that for good policies to spread while bad policies are pushed aside states must learn from one another The three ingredients for this positive outcome are observable experiments time to learn and favorable incentives and expertise among policymakers Although these ingredients are sometimes plentiful we also note causes for concern such as when policies are complex or incompatible with current practices when policymakers give in to underlying political biases or when political institutions lack the capacity for cultivating expertise Under such conditions states may rely on competition imitation and coercion rather than learning which can allow bad policies rather than good ones to spread We conclude with lessons for reformers and policymakers and an assessment of our overall argument based on state responses to the COVID 19 pandemic

100 Good Ones, Year One Shar F. Grant, 2011-07-18 Reading Shar Grant s 100 Good Ones is like sitting down for coffee with an extremely open and creative force Sometimes introspective other times hilarious always revealing Grant s prose reminds us that the mundane can and more often than not is beautiful Caleb Braudrick *All the Good Ones Aren't Taken* Debbie Magids, Nancy Peske, 2007-05-15 In *All the Good Ones Aren't Taken* Dr Debbie Magids helps us discover the hidden behavioral patterns that can prevent us from experiencing deep intimacy With her guidance we learn to heal the patterns that have held us back and to have faith that the universe supports us in creating the most perfect and lasting love Marianne Williamson Are you ready to turn your romantic fortune around at last Dr Debbie has discovered eight behavior patterns that are typical of dissatisfied singles and will teach you how to recognize your romantic style understand why you make certain relationship choices and take powerful steps toward creating the lasting love you deserve The Old Faithful longs for the one she can t have and is unable move forward The Whirlwind Dater constantly dates but never finds a fulfilling permanent relationship The Standstill rarely dates and has a difficult time relating to men on an intimate level The Forbidden Fruit Hunter gets involved with emotionally unavailable men who may be married or already have a girlfriend The Compassionate Rescuer always dates the guy who has problems putting her energy into fixer upper boyfriends The Wanderer just one man is
