Johnson, 2011-03-02 WHEN I began to collect these signs and sayings it was with the idea of gathering them for my own
entertainment In days like the present of universal books and schools I thought I could hope to get only a few remnants of the
thought and notions that have descended to us from the illiterate and superstitious ages of the past and I supposed that by
the time I had picked up two or three scores of these oddities the subject would be exhausted as far as New England was
concerned But when I began to notice I found that people in their every day conversation were constantly dropping remarks
on the significance of all sorts of things that were a part of this old folk lore When questioned nearly every one old and young
could repeat a few sayings of the kind I sought and among these were almost always some I had not heard before My
collection grew until I saw the possibility of a volume and I could not but wonder what the superstitions of the Dark Ages
were like if these were only remnants *The Journeys of Genesis* Jonathan E. Agosto, 2009-11 The Journeys of Genesis
follows the inhabitants of this mystical land and their struggle for power The work begins with a brief history of Genesis The
planet stood the test of time for over a million years because the only inhabitants were gods and goddesses Yet when the
three Great Lords demanded the gods leave the planet promising to take care of it for them the gods of Genesis left After
their departure the three Great Lords created two sons Decorus and Dementis Unfortunately the creation of Decorus and
Dementis begins the destruction of the planet Like Cain and Abel these two brothers become enemies Dementis the evil
brother is tired of Decorus s good behavior To that end Dementis is cast out of the kingdom he vows revenge upon Genesis
