The Inevitable War Grant Ayers,2021-10-06 The Inevitable War The Godslayer Book 1 by Grant Ayers As the master of the gold enchantment and the second son of King Ri of the War Clan the mighty Doentas spends his days fighting drinking and training with his friends His world shatters one day when he learns that his father and brother Ceart heir to the throne have died in battle Now the rightful king of the War Clan Doentas must face a challenge to his throne as the other clans take advantage of the inexperienced king As the clans settle their differences a new threat arises from the heavens that threatens all of humanity The Inevitable War shows how a man newly bestowed with the burdens of leadership tackles his fears and takes on incredible obstacles for his family his friends and his people

Creating an Environment for Successful Projects, 3rd Edition Randall Englund,Robert J. Graham,2019-10-01 Now in its third edition this project management classic has been updated with an array of field tested tools to help upper management ensure the success of projects within organizations For over twenty years Creating an Environment for Successful Projects has been a staple for upper managers who want to help projects succeed This new edition includes case studies from companies that have successfully applied the approach along with practical tools such as templates surveys and benchmark reports for savvy leaders who want to ensure project success throughout their organizations The insights in this book will help management speed projects along instead of getting in their way All too often well intentioned managers put roadblocks in the team s way instead of empowering them with the tools they need to succeed This approach to project environments grounded in decades of research and practice will help you make your organization the most project friendly it s ever been Organizational changes rarely work unless upper management is heavily involved Although project managers are most closely responsible for the success of projects upper managers are the ones who ultimately create an environment that supports those projects The way upper managers define structure and act toward projects has an important effect on the success or failure of those projects and consequently the success or failure of the organization This book helps all managers understand the need for project management changes and shows how to develop project management as an organizational practice
