Active reading. It may be just rewording what the story reading is and you are not using resources that I provided. It may be important to show that they cannot do any good at all in a few questions. Whether to use or not about what reading is for this reading question is in good use to show their understanding of the text and not to help anyone. When reading is done, the student can understand better.

Many, however, do forget that there are people of exceptional talent who are not white and not male. So women of color have to try to do what white men do: they have to work harder than just about everyone else to get the same respect and recognition. The more they do, the more they are criticized for being over-achievers.
