Committee on Energy and Natural Resources, 2008 **NW Lantana Drive to NW Witham Hill Drive Section, NW Circle Boulevard, Benton County**, 1981 **Cumulative List of Organizations Described in Section 170 (c) of the Internal Revenue Code of 1986**, 1987 **Medical Negligence: Non-Patient and Third Party Claims** Rachael Mulheron, 2016-04-29

Healthcare professionals face an increasing threat of litigation from parties whom they have never met in their daily medical practice and who look nothing like the traditional patient The so called non patient may take many forms for example a person who is injured or killed by a mentally ill physically disabled or diseased patient a wrongfully accused parent in a child neglect abuse case or a local authority which is put to the expense of caring for a negligently treated patient This book explores the legal principles and conundrums which arise when determining a healthcare professional s liability in negligence towards a wide variety of non patients The topic is assuming increasing legal importance and relevance given the potential for many non patient claims to give rise to class actions litigation and in light of the legislative and human rights interventions and the frequent appellate judicial consideration which non patient claims have attracted in recent times The aim of the book is to have utility for both legal and medical professionals for academics and students of comparative medical negligence and tort law and for law reformers who may be interested in adopting certain features of statutory models elsewhere which pertain to some non patient claims such as those based upon Good Samaritan conduct Important parallels

or counterpoints from other common law jurisdictions in which courts and commentators have grappled with the legal complexities of non patient claims are also discussed and critically analyzed **Publication** ,1991 **Congressional Record** United States.
