known to have worked on during his lifetime beginning with the 1925 revue The Chocolate Kiddies and ending with the unfinished street opera Queenie Pie This large body of work includes full length musicals African American revues ballets and incidental music The plot of each work is described and the score analyzed according to its dramatic function in the piece Musical phrases are reproduced in the text and associations with other well known Ellington compositions are noted An appendix provides a chronological listing of Ellington s shows with song titles conveniently listed under each     The British Library General Catalogue of Printed Books to 1975 British Library,Jim Emmett,1979
