

A woman with long, wavy hair is seen from behind, wearing a long, flowing white dress. She is dancing or twirling on a beach at sunset. The sun is low on the horizon, creating a warm, golden glow. The ocean is visible in the background.

Sorensson, 2019-03-27 The mind is a powerful ally for us to live in this world However given absolute control of our lives it becomes a silent tyrant Indeed there is no master more ruthless no jungle more wild and no fire more fierce and consuming than the reactive mind Therefore the battlefield of the mind is the only one we have to conquer the only prison we have to walk out of and then we can realize we have always been free Freedom is the true nature of our being This book is a collection of Short Stories Essays and Exercises which the author wrote over the years as a record of observations on her own journey towards finding the authentic Self The author wishes to inspire the readers into self inquiry by incorporating her experiences in all the work and distilling those experiences for everyone to try It is meant to be light reading rather than a textbook The greatest politeness is free of all formality perfect conduct is free of concern perfect wisdom is unplanned perfect love is without demonstrations perfect sincerity offers no guarantee The way of Chuang Tzu by Thomas Merton      Thank You, Jesus Marie Chapiro, 2016-04-01 Beautifully captured in this powerful devotional is the language of heaven gratitude Each prayer is breathed with loving humility moving you to reach heaven with a deeper understanding of God's love for you Hear the overcoming joy of your own heart as you enter a 365 day experience of praising and thanking God through all things Make it your passion to speak the language of heaven

Clark,2024-02-22 As all of us know life has its ups and downs In many ways life truly is a rollercoaster A rollercoaster goes up comes down goes around curves enters the dark at times twists and in some cases goes backwards I think that using a rollercoaster is a great example that can describe life perfectly How is one able to navigate all the ups and downs twists and turns as well as the darkness that is experienced on occasions The key I believe is a faith in a living God This living God allows Himself to be known through the person of Jesus Christ This devotional is slightly different than most devotionals The devotionals contained in this volume were written over a period of time and as the current events were taking place As you will experience there are numerous events mentioned that were part of our lives some that may be distant to you and some that occurred daily that you may have been somewhat close Since I am a sports junkie you will find several references in this devotional pertaining to sporting events that have taken place Most of the sporting events refer to the teams in Philadelphia Each devotion is two pages in length and is written in a way to help you think about your relationship with God It is my prayer that after completing the reading of this devotional you will find yourself closer to God and understand who He is clearer      **Sequel to Yesterday's Crime** P.
