Be Really Crazy Sean Renfrew Kelley, 2015-12-10 It's two books for the price of one in this special compilation novel. Growing up can be really crazy at times especially for four young people who live far from simple lives. From changes in the status quo of what is comfortable to entering the work place for the first time to helping friends with disabilities life can get really crazy when one goes from childhood to adulthood. But learn how one group of young people turn their moments of difficulty into moments of growth. Prepare yourself to embark upon a journey full of comedy drama and lots character building growth in a series of multiple short stories that examine the trials and tribulations that occur when you're growing up as a child teenager and eventually a young adult and that there's plenty to learn no matter what your age. **Biopolicy** Albert Somit, Steven A. Peterson, 2012-05-14 This volume explores the linkage of the life sciences with policy biopolicy. It features two points of departure: the implications of the neurosciences for public policy and the implications of evolutionary theory for policy making. It includes several case studies of how these points of departure inform our knowledge of policy.
