**Important Themes in Biblical Theology** Canice Njoku C.S.Sp, 2020-02-17 This work is a collection of twenty five papers that I have personally written They consist of themes which were actually suggested assigned and moderated by seasoned professors and biblical scholars in various aspects of Biblical Theology Although in some cases I have modified the themes yet I tried as much as possible to remain focused on the objectives of the papers One very interesting point to note is the treatment of most of these themes basically from the biblical perspective This is mostly with regards to themes drawn from courses which are not strictly scriptural courses but rather are more of theological courses which nonetheless form an integral part of the study of Biblical Theology So in addition to the core scriptural courses I have featured themes from Fundamental Theology Ecclesiology and Eschatology Sacramental and Liturgical Theology Trinitarian Theology etcetera Also it suffices to note that this work is not a commentary on the bible nor is it a comprehensive approach to all the courses in Biblical Theology Rather it is a treatment of some important provocative and challenging themes scholars or students encounter in the course of their study of Biblical Theology This is simply meant to give one an idea of how these themes together shape Biblical Theology and most importantly how to approach some of these themes I hope you will find them very helpful and interesting

**Exodus from Rome Volume 1** Dr. Todd D. Baker,2014-05-01 Written by a former Roman Catholic of eighteen years and former candidate for the Roman Catholic priesthood Dr Todd Baker objectively and honestly examines the grandiose claims of the Papacy and the Roman Catholic Church in the critical light of Scripture and the evidence of history to show where Rome has greatly erred This multi volume work provides a controversial overview on the basic doctrines distinctive of Roman Catholicism so the open Catholic can learn how these beliefs practices and traditions of Rome contradict Scripture and do not have the support of a consistent uniform history from the days of Jesus the apostles and the first three centuries of the early church and on With over 1 billion adherents to the Roman Catholic Church it is incumbent for the Bible believer to know the difference between the real Gospel of Scripture versus the Gospel of Rome and how they are not one and the same Gospel in the end In a day of man pleasing ecumenical compromise with Rome this book is sorely needed to remind the Protestant church that the real differences between Rome and the Bible have not changed since the Reformation and must be reiterated and defended today on the exclusive ground of Scripture alone being the supreme authority in faith and practice for every Christian believer Dr Todd D Baker is president of Brit Hadashah Ministries and Pastor of Shalom Shalom Messianic Congregation in Dallas Texas He holds a Bachelor of Science degree in biblical studies a Master of Theology degree from Dallas Theological Seminary and a Ph D in Philosophy and Apologetics from Trinity Seminary under the auspices of Liverpool University at Liverpool England

He is the staff theologian and writer for Zola Levitt Ministries and has appeared on the television program Zola Levitt Presents several times With his extensive experience in Jewish evangelism he conducts Gospel outreaches to Israel three times a year

**The Control of Biblical Meaning** George Aichele, 2001-02-01 This provocative book pursues a series of questions associated with canons of the Bible Aichele draws deeply on the insights of poststructuralist literary theory as he pursues these questions He also engages in close readings of specific biblical and nonbiblical texts to demonstrate ways that canon controls the meanings of its texts

Luke's Rhetorical Compositions Paul Elbert, 2022-07-19 Luke's Rhetorical Compositions offers new ideas in Lukan scholarship especially in regard to Aelius Theon's first century rhetoric manual Progymnasmata and inter textual Lukan Pauline biblical studies Two chapters deserve special mention the material in chapter 3 is a groundbreaking discussion of Acts 2:38 in which its Greek verb tense speaks to the subsequent reception of the gift of the Holy Spirit following salvation not coincident with salvation In Acts 2:38 it is Luke's intention to portray Peter as promising the gift of the Holy Spirit to hearers and to those beyond narrative time as a Pentecostal experience Chapter 9 discusses Luke's use of progymnasmatic examples in his descriptions of the salvation experience It also discusses Luke's clarification of Paul using narrative persuasion from Jesus tradition and history Also Luke's use of basic soteriological vocabulary provides clarity and plausibility His distinctive selection of examples from the Jesus tradition and his duplication of Paul's soteriological vocabulary is very helpful

**The Spirituality of the Gospels** Stephen C. Barton, 2006-09-06 Probably no other works of ancient literature have had a greater influence on religious life and thought than the Four Gospels Certainly no other works have been the subject of such intense study by those determined to learn more about the Gospels central often enigmatic figure And yet despite the bewildering variety of scholarly approaches few have sought to interpret the Gospels in terms of the distinctive spirituality that each contains and seeks to evoke in its readers That is the aim of this important new book to help today's readers explore what each Gospel has to offer when viewed by its own right as a classic of Western spirituality Written in a clear non technical style the fresh perspectives this work presents will open new vistas on the familiar stories about the life teaching and ultimate significance of Jesus
