The Gospel of Matthew is the first book in the New Testament. It truly is a teaching Gospel. It serves as an important resource for learning about the life and teachings of Jesus Christ. The Apostles needed this teaching so that they could effectively form the foundation upon which the future Christian church would be built. They needed this teaching to obey the commandment which Jesus gave them: Go therefore and make disciples of all nations baptizing them in the name of the Father and of the Son and of the Holy Spirit and teaching them to obey everything that I have commanded you. Matt 28:19-20. Using an easy to understand format, The Gospel of Matthew offers an in-depth study that reveals why Christ's presence forever changed the world. Author Carol Walker explores the true nature of Jesus, his mission on Earth and his ministry. From his birth to his death and resurrection, Walker recounts Jesus' life and in so doing reveals how Jesus fulfilled Old Testament prophecy. Walker presents thirty-four lessons that cover the twenty-eight chapters of Matthew. Each chapter is summarized to provide historical and cultural background information and a question and answer section presents an opportunity for further discussion. Lessons include the important work of the Holy Spirit, the ministry of John the Baptist, the Sermon on the Mount, Jesus' interpretation of the Ten Commandments and much more. The Gospel of Matthew presents a comprehensive study for individuals or groups. If you're seeking to expand your knowledge of Jesus' life and teachings and want to deepen your faith, let this be your guide.

Ethics in 1 Peter Elritia Le Roux, 2018-04-18. Many refer to 1 Peter as an exegetical stepchild within the New Testament that is, it does not receive the same attention as the Pauline writings, the Gospels or the Johannine literature. Yet Martin Luther held the First Letter of Peter to be essential to one's own salvation. In keeping with the tradition of Reformation-inspired New Testament theology and building on the work of John H. Elliott, Elritia Le Roux highlights an affinity between the theology of Mark and the theology of 1 Peter. **Ethics in 1 Peter** elaborates particularly the similar ways that Mark and 1 Peter handle Christology and the ethics that flows from it. Le Roux argues that both the Gospel of Mark and the First Letter of Peter Christology specifically Christ's passion lay a foundation for an ethics of suffering.

A Testimony of Jesus Christ - Volume 1 Anthony Charles Garland, 2007. A Commentary on the Book of Revelation Volume 2. The author presents a detailed study of the Book of Revelation emphasizing prophetic themes from the rest of the Bible which find their fulfillment in Revelation. To understand this controversial book, the author explores the many connections between the visions seen by the Apostle John and previous prophetic revelation given to Old Testament prophets such as Daniel, Ezekiel and others. It is the author's conviction that an understanding of

related passages elsewhere in the Bible is the most important key to unlocking the bewildering variety of interpretations which often accompany the study of the last book of the Bible The commentary is linked to a free companion internet course providing an additional 70 hours of audio instruction linked to almost 1 000 slides
