*Kent Urban Legends* Neil Arnold,2013-03-01 Do motorists pick up a phantom hitchhiker on Blue Bell Hill during stormy nights Does Satan appear if you dance round the Devil s Bush in the village of Pluckley Do big cats roam the local woods And what happens if you manage to count the Countless Stones near Aylesford For centuries strange urban legends have materialised in the Garden of England Now for the first time folklorist and monster hunter Neil Arnold looks at these intriguing tales strips back the layers and reveals if there is more to these Chinese whispers than meets the eye Folklore embeds itself into a local community often to the extent that some people believe all manner of mysteries and take them as fact Whether they re stories passed around the school playground through the internet or round a flickering campfire urban legends are everywhere Kent Urban Legends is a quirky and downright spooky ride into the heart of Kent folklore

**Gloucestershire Folk Tales** Anthony Nanson,2011-11-30 Gloucestershire s stories go back to the days of Sabrina spirit of the Severn and the Nine Hags of Gloucester Tales tell of sky ships over Bristol the silk caped wraith of Dover s Hill snow foresters on the Cotswolds and Cirencester s dark age drama of snake and nipple They uncover the tragic secrets of Berkeley Castle and the Gaunts Chapel a lonely ghost haunting an ancient inn and twenty first century beasts in the Forest of Dean From the intrigue and romance of town and abbey to the faery magic of the wild here are thirty of the county s most enchanting tales brought imaginatively to life by a dynamic local storyteller      *Legends of Kent* Mike Hanagan,Pat Cox,2012-04-17 100 short stories and over 25 images from the stories Myths Legends Ghosts Mysteries of historic Kent Just like anyone else born in Kent we grew up being told stories of the villages where we lived Many were local legends like the ghostly highwayman of Oxney Bottom which spooked generations of children from the village As well the ghost stories there were fascinating legends like Grey Dolphin Did Robert de Shurland really kill his horse on the word of a local witch Was that church in Gravesend really visited by aliens If you ask the locals you will get ten different versions of the story With Kent being the eldest county in England it s reasonable to expect a few famous names and events to have links here yet Kent has an abundance of them Names and events that when you hear them for the first time leaves you thinking wow I didn t know that Did you know about Kent s own Bermuda Triangle what about the Kentish folk who saw battle at Trafalgar or at Rorkes Drift or even the Titanic passenger from Sittingbourne Throughout the generations these stories have been told and re told thousands of times and with each telling the story grows and adapts a little bit more The stories we have written in this book are the versions which we have come to know and love How historically accurate they are could be debated forever although the basic facts of many of the stories are 100% accurate as our research has found We leave you to decide fact or fiction myth or legend or a mixture of all four So join us on a journey across history and through the towns and villages immortalised in Kentish folklore and see how many times you say Wow I didn t know that      [Myths and Legends of the British Isles](#)

**Myths and Legends of the First World War** James Hayward,2011-11-08 During the First World War a rich crop of legends sprouted from the battlefields and grew with such ferocity that many still excite controversy today This book is the first to examine the roots of those stories and reveal the truth Some myths remain well known Did an entire battalion of the Norfolk Regiment vanish without trace at Gallipoli in 1915 Did thousands of Russian troops actually pass through England with snow on their boots In 1914 an acute spy mania gripped the British public who imagined that the country was brimming with German spies Xenophobia denunciations and attacks on dachshunds were rampant Amazingly there was even talk of enemy aircraft dropping poisoned sweets to kill British children Myths such as the Angel of Mons and the Comrade in White were more innocent creations With no radio or television rumours of disaster were rife and the apparition of mystical guardian spirits gave hope to the civilian population at home Other stories such as the so called Crucified Canadian and the existence of a gruesome German corpse rendering factory were more sinister Yet in an age of new and startling technologies such as poison gas submarine warfare and the tank such tales appeared believable Using a wide range of contemporary sources James Hayward traces the story of each myth and examines the likely explanation Supported by a selection of rare photographs and illustrations the result is a refreshingly different perspective on the common mud and trenches view of the First World War shedding fascinating new light on many curious and unexplained wartime tales
