Following After God Daniel Hill,2002 **Investigation of Korean-American relations** United States. Congress. House. Committee on International Relations. Subcommittee on International Organizations,1978 **Investigation of Korean-American Relations: Supporting documents** United States. Congress. House. Committee on International Relations. Subcommittee on International Organizations,1978 *National Labor Relations Act* United States. Congress. House. Special Committee to Investigate the National Labor Relations Board,1940 **Researching Non-Formal Religious Education in Europe** Friedrich Schweitzer,Wolfgang Ilg,Peter Schreiner,2019 The traditional focus on Religious Education at school can no longer be the only guiding principle for religious education research if this research is to do justice to the reality of religious education in general The awareness of the meaning and scope of education outside of the school has clearly grown However systematic research on non formal religious education still remains rare especially on an international level It is the intention of this volume to strengthen the awareness of educational settings outside of the school by bringing together research results and research perspectives from different European countries and by discussing the question what non formal education means in terms of religious education The book includes presentations on specific research projects carried out by the authors themselves as well as summary accounts of the pertinent research from different countries The chapters take up general questions of researching non formal religious education as well as specific references to different programs such as youth work Sunday School kindergarten confirmation work etc **Investigation of Korean-American Relations** United States. Congress. House. Committee on International Relations,United States. Congress. House. Committee on International Relations. Subcommittee on International Organizations,1978 God's Crime Scene Participant's Guide J. Warner Wallace,2019-08-01 Custom illustrated by the author renowned cold case detective author and speaker J Warner Wallace this exclusive participant s guide engages the audience in the investigation into whether the universe as we see it just happened or if there is evidence of a divine intruder or rather God Companion to the eight part video series participants will dive into one of the most meaningful and challenging questions Does God exist This highly visual guide helps the participant engage with the content to ultimately develop an investigative skill set similar to what a detective might use in investigating a homicide This interactive study guide includes a free QR code and URL to access all eight videos plus additional content for engaging study as a group or on your own To aid you in your planning following are the session titles and video run times 1 Session 1 10 59 2 Session 2 12 42 3 Session 3 12 55 4 Session 4 11 08 5 Session 5 12 06 6 Session 6 11 36 7 Session 7 12 15 8 Session 8 12 51 White Devils, Black Gods Christopher M. Driscoll,2022-10-06 Interweaving academic theory auto ethnography and memoir styled narrative Christopher M Driscoll explores what the white devil trope means for understanding and responding to tensions emerging from toxic white masculinity The book provides a historical and philosophical account of the white devil as it appears in the stories and myths

of various black religious and philosophical traditions particularly as these traditions are expressed through the contemporary cultural expression of hip hop Driscoll argues that the trope of the white devil emerges from a self hatred in many white men that is concealed and revealed through various defence mechanisms principally anger and the book provides rich ground to discuss the relationship between perceptions of self i e who we are emotional regulation and our behaviour towards others i e how we act

Messy Methods in Researching Religion ,2025-05-03 This unique book investigates the real world complexities challenges and mistakes that are often encountered when researching religion values and culture Featuring the reflections of researchers from across the social sciences and humanities it offers vivid accounts of designing and executing both small scale and much larger projects Some chapters describe in detail the process and rationale behind methodological decisions including challenges adaptations and revisions Others reveal how things went wrong in the research process even past the point of recovery and what was learned There is reflection on wider conceptual theoretical and ethical debates about religion and what they mean in practice In acknowledging the messiness of researching religion the volume seeks to humanize and improve it The honest reflections it contains will help researchers avoid some common mistakes and face others openly without losing heart
