Fool's Errand Robin Hobb, 2002 FitzChivalry Farseer breaks his self imposed exile when a hedge witch knocks on his door foreseeing that a long lost love will return to him if he returns to Buckkeep Castle Color Blind Justice Mark Elliott, 2008-11-30 Civil War officer Reconstruction carpetbagger best selling novelist and relentless champion of equal rights Albion Tourg e battled his entire life for racial justice In this engaging biography Mark Elliott offers an insightful portrait of a fearless lawyer jurist and writer who fought for equality long after most Americans had abandoned the ideals of Reconstruction Elliott provides a fascinating account of Tourg e s life including his memorable role as lead plaintiff s counsel in the landmark Supreme Court case Plessy v Ferguson *O. Henry Biography* Charles Alphonso Smith, 1916 **Fools' Errand. A Tale from Chaucer. [A One-act Play.]** Margaret Wood (Dramatist.), 1960 **A Reply to "A Fool's Errand, by One of the Fools."** William Lawrence Royall, 2025-06-26 Reprint of the original first published in 1880 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage *Alphabetical Finding List* Princeton University. Library, 1921 Sitting in Darkness Peter Schmidt, 2010-06-17 Sitting in Darkness explores how fiction of the Reconstruction and the New South intervenes in debates over black schools citizen building Jim Crow discrimination and U S foreign policy towards its territories and dependencies The author urges a reexamination not only of the contents and formal innovations of New South literature but also its importance in U S literary history Many rarely studied fiction authors such as Ellwood Griest Ellen Ingraham George Marion McClellan and Walter Hines Page receive generous attention here and well known figures such as Albion Tourgee Frances E W Harper Sutton Griggs George Washington Cable Mark Twain Thomas Dixon Owen Wister and W E B Du Bois are illuminated in significant new ways The book s readings seek to synthesize developments in literary and cultural studies ranging through New Criticism New Historicism postcolonial studies black studies and whiteness studies This volume posits and answers significant questions In what ways did the uplift projects of Reconstruction their ideals and their contradictions affect U S colonial policies in the new territories after 1898 How can fiction that treated these historical changes help us understand them What relevance does this period have for us in the present during a moment of great literary innovation and strong debate over how well the most powerful country in the world uses its resources Major Arcana John Pistelli, 2025-04-22 Perhaps the elusive great American novel for the twenty first century It begins with a gunshot a student s public suicide on a university campus The blast radius of this tragic explosion expands to encompass 50 years of our history and two of the grandest characters in recent American fiction Simon Magnus a comic book writer who transfigured popular culture turned gender activist who transfigures the English language and Ash del Greco an online occultist who by the age of 20 has seen to the end of everything and wants desperately to prove the superiority of mind over matter With a decades spanning but tightly knit plot written in an expansive style Major Arcana

canvasses America's inner life and moral history from coast to coast and across two generations in a delirious saga about art, magic, love and death. Originally serialized on the author's Substack newsletter, *Major Arcana* is a novel about the transformative power of popular culture. With a nod to Michael Chabon's *The Amazing Adventures of Kavalier & Clay* and for fans of *Tomorrow and Tomorrow and Tomorrow*, Pistelli reimagines the expansive novel for the 21st century. **D.W.**

Griffith's the Birth of a Nation Melvyn Stokes, 2008-01-15 In this deeply researched and vividly written volume, Melvyn Stokes illuminates the origins, production, reception, and continuing history of this ground-breaking, aesthetically brilliant and yet highly controversial movie. By going back to the original archives, particularly the NAACP and D.W. Griffith Papers, Stokes explodes many of the myths surrounding *The Birth of a Nation* (1915). Yet the story that remains is fascinating: the longest American film of its time, Griffith's film incorporated many new features, including the first full musical score compiled for an American film. It was distributed and advertised by pioneering methods that would quickly become standard. Through the high prices charged for admission and the fact that it was shown at first only in live theaters with orchestral accompaniment, *Birth* played a major role in reconfiguring the American movie audience by attracting more middle-class patrons. But if the film was a milestone in the history of cinema, it was also undeniably racist. Stokes shows that the darker side of this classic movie has its origins in the racist ideas of Thomas Dixon Jr. and Griffith's own Kentuckian background and earlier film career. The book reveals how, as the years went by, the campaign against the film became increasingly successful. In the 1920s, for example, the NAACP exploited the fact that the new Ku Klux Klan, which used Griffith's film as a recruiting and retention tool, was not just anti-black but also anti-Catholic and anti-Jewish, as a way to mobilize new allies in opposition to the film. This crisply written book sheds light on both the film's racism and the aesthetic brilliance of Griffith's filmmaking. It is a must-read for anyone interested in the cinema. **Festa** Helen Barolini, 2002 Born of Italian-American parents, Helen Barolini rediscovered her culinary heritage when she married Italian writer Antonio Barolini and lived for some years in Italy. *Festa* is a year-long feast of memories and delicious traditional Italian dishes: from St. Nicholas' sweetmeats in December and *perciatelli* with sardines and fennel for March's St. Joseph's Day to figs with prosciutto for summer's Ferragosto and pumpkin gnocchi for an American Thanksgiving in Italy. **Marjorie** Justin Huntly McCarthy, 2020-08-05 Reproduction of the original *Marjorie* by Justin Huntly McCarthy.
