Who's Better, Who's Best in Coaching? Steve Silverman, 2015-08-11. Ranking the best coaches in NFL history is no easy task. How do we decide which coach had a bigger on field impact? Or the best tactical skills both defensively and offensively? Not to mention measuring the strength of what a coach does behind the scenes how he motivates his players or how he keeps them from cracking under the pressure. Is the Hoodie the greatest coach ever or just lucky to have Tom Brady? What about Bill Parcells Vince Lombardi and John Madden? Where do they rank? Such are the questions that pro football writer Steve Silverman addresses in *Who's Better Who's Best in Coaching*. As statistician Elliott Kalb did with baseball basketball and golf and Silverman himself did with football players in *Who's Better Who's Best in Coaching* Silverman takes the next logical step in this new book. Taking the analytical methods he developed over his years as a senior editor at Pro Football Weekly he applies them to an evaluation of coaches going back to the earliest days of the NFL. The result is a fascinating ranking of the best of the sideline from legendary old timers like Vince Lombardi to present day blue collar coaches like Tom Coughlin. Throughout Silverman discusses the many considerations that must be made when comparing modern coaches with coaches of past eras or when comparing abrasive and domineering coaches with the more relaxed and Zen like coaches. Including biographical essays on those top fifty coaches and detailed statistics for their career records in both the playoffs and regular season *Who's Better Who's Best in Coaching* is a must have for anyone who considers football more than just a game and who is fascinated by how it's coached. The Greatest Man In Our Time Brian W. Kelly,2023-03-29 Modern pundits give Donald Trump little credit for anything even though he is clearly The Greatest Man in Our Time I would say it is because the bulk of the news media simply do not like him as he does not want to have anything to do with a Marxist agenda Before Trump set the world on fire from 2017 to 2020 the five highest rated presidents according to a C SPAN survey for example were Abraham Lincoln George Washington Franklin D Roosevelt Theodore Roosevelt and Dwight D Eisenhower I do not contest the fact that they showed greatness in office but when you look at all of Trump s accomplishments and the complexity of our times the 45th president deserves much more consideration That s why I wrote this book You may never choose to invite Donald John Trump over the house for breakfast or even a holiday gathering but looking back at his four years in office whether you like him or not most Americans admit those were some of the most prosperous and warless years we have had in our lifetimes We have the chance again to have the Greatest Man in Our Time as President in a few more years Let s do our best to assure it After you read this book I hope you feel as comfortable as I do to place Donald J Trump on the top of this venerable stack of great presidents With all of the flack Trump received as president there are clearly a number of Americans who would not cast their vote for Best President his way under any circumstance But there are a lot who would I am glad you are reading this book as it will help you know what a great man and a great president we can have again as our leader
