Angel Found Virgil Varvel,2021-09-09 The absence of the angel of death one of the most powerful celestial beings had persisted for forty years The resulting turmoil encouraged the demons of the covenant to unleash a dangerous plan If they discovered Azriel s location and turned him to their cause the tide in the eternal struggle between heaven and hell would shift significantly in their favor If they failed their own existence would most likely be forfeit The difficulty of their search was amplified due to the fact that Azriel was also lost to himself with no recollection of his angelic form Meanwhile Aaron Todd concurrently a youth pastor at a small Midwestern church and a logistics coordinator for a secret antislavery organization wanted only to help those in need and keep his daughter safe Thus far in life he had been successful at both As these two worlds collided Aaron s dreams became a mix of horrific nightmares and arguments with demonic voices In his waking reality he was forced into a journey from Earth through the outskirts of hell On this path he would have to reunite with his loved ones and his own identity if he wanted to defeat the covenant and discover his own true purpose
