POWERFUL POTENTIAL OF PARENT(S): A Child's First, Best, and Only Lifelong Teacher Donald R. Draayer, Ed. D.,2014-02-21 No parent is perfect but all of us can do better Child raising is one day at a time best done with love s constancy and wisdom drawn from experience and research Essentials include food for healthy growth abiding love for nurture and self confidence stimulation of mind for learning gain and emotional support to develop social skills that are so critical for friendships formal learning and purposeful living The following themes run through the POWERFUL POTENTIAL of PARENT S Parent impact is greatest in childhood parent potential continues throughout life Each life stage builds upon the previous one early childhood home experiences are foundational Every adult is a unique mentor and role model two parent s double the messages to offspring Body mind emotion and spirit interact internal and external forces affect all humans Child rearing works on probability theory positive outcomes increase when brought up right Each generation sets the course for the next one this ongoing cycle bridges past to present and to future Practical recommendations are laid out in handbook format 61 pages for every stage of human growth they can serve as a referent checklist Also each chapter ends with reflective questions that encourage introspection and promote meaningful dialogue The writing is an easy read In sum this book is filled with wisdom of the ages as well as what recent research confirms as sound parenting practices This truth holds throughout A child s parent is the first best and only lifelong teacher *I'M ONLY A CHILD* Uncle Jim,2022-10-08 I M ONLY A CHILD is a message from the children Not just to parents but to all adults

who constantly make decisions for them Parents don't have to read this story to the child It's intended for the child to read to their parents and other adults If your child cannot read yet the parents should read it as though the child were talking to you This is a picture book intended to remind everyone that children need to grow up slowly as nature intended a child to grow It is also a reminder to adults that childhood like every phase of growing up has basic stages it must navigate Don't force a child to be an adult and don't allow others to alter the natural growth of your child He or she will get there soon enough This precious little gift from God is yours Take responsibility for him or her Some children learn sooner than others This book is intended for the earliest reader up to 13 years Children don't know what adults know and the mind of a child cannot process adult concepts Don't force it on them You are obliged to respect the innocent so listen when they signal I M ONLY A CHILD

Only Better Parents Have Best Child , **The Only Child** Jill Pitkeathley, 2011-03-01 Drawing on the experiences of a wide range of 60 only children this book explains the difficulties they are faced with and how as adults they have learnt to cope with these problems Growing up as an only child can foster a greater sense of responsibility and social skills only children are often more sensitive and considerate to the needs of others Yet it can also lead to difficulties in forming close relationships and the intensity of the relationship with their parents can become oppressive At a time when couples are increasingly limiting their families to one child this book answers a pressing and growing need It is a book that the parent or partner of an only child will need to understand an only child The Only Child written by two authors who are themselves only children shares the experiences of other onlies and the stories in this book demonstrate even if someone is without siblings there are millions of others who can understand how they feel **One and Done: raising a happy and rounded only**
