For Duty And Deity:

Five Prize Essays on Man's Duty to God Prize Essays, George Stobart, Alice Rule, Joseph Lee, Robert Bewick, 1858 *Real Sadhus Sing to God* Antoinette Elizabeth DeNapoli, 2014-04-01 Drawing on ethnographic research spanning ten years Antoinette Elizabeth DeNapoli offers a new perspective on the practice of asceticism in India today Her work brings to light the little known and often marginalized lives of female Hindu ascetics sadhus in the North Indian state of Rajasthan Examining the everyday religious worlds and practices of the mostly unlettered female sadhus who come from a number of castes Real Sadhus Sing to God illustrates that these women experience asceticism in relational and celebratory ways They construct their lives as paths of singing to God which the author suggests serves as the female way of being an ascetic Examining the relationship between asceticism sannyas and devotion bhakti in contemporary contexts the book brings together two disparate fields of study yoga asceticism and bhakti using the singing of bhajans devotional songs as an orienting metaphor This is the first book length study to explore the ways in which female sadhus perform and thus create gendered views of asceticism through their singing storytelling and sacred text practices which DeNapoli characterizes as their rhetoric of renunciation **Deity and Domination** David Nicholls, 2003-09-02 Religion and politics are necessarily related declared Ronald Reagan while addressing an ecumenical prayer breakfast of 17 000 people in Dallas But how are they connected Many popular images of God King Lord and Judge are essentially political while concepts of might majesty dominion and power are used of both God and the state This ambitious and original work explores the relations between these images and their political context through the analogy between divine and civil government and considers what images of God may legitimately be employed by Christians in the twentieth century David Nicholls suggests that religious conceptions have often affected political thinking theological rhetoric child of political experience may also be mother of political change Drawing upon politics theology history sociology anthropology and literary criticism this important new book will be essential reading for all concerned with the relation between Christianity and politics *A Manual of the Priesthood, Or, God's Ministry as Revealed in These Last Days, from the Doctrine and Covenants : and Church History* Charles Derry, 1900 **St. Andrew's Cross** ,1908 *Being, analytically described in its chief respects; and principal truths, in the order of this analysis, fully stated: with a detail of man's spiritual nature and chief relations* John Richard Pickmere, 1854 Delegation of Authority Order from God to Christians, Form #13.007 Sovereignty Education and Defense Ministry (SEDM), 2016-02-03 Allows you to notice the government based on religious beliefs that you are not authorized by your delegation of authority from to contract with them or participate in any franchises and therefore any contracts they have are null and void For reasons why NONE of our materials may legally be censored and violate NO Google policies see <https://sedm.org> why our materials cannot legally be censored The Freemason's Chronicle ,1891 **For duty's sake** Mary Douglas, 1896 **Pufendorf: On the Duty of Man and Citizen According to Natural Law** Samuel Freiherr von

Pufendorf,1991-07-26 This edition provides an historically sensitive translation of Pufendorf s On the Duty of Man and Citizen 1673 Christian Ethics. A Text-book for Schools and Colleges Daniel Seely Gregory,2025-10-06 Reprint of the original first published in 1883 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage Genesis ,1881 **The Three Paths to Union with God** Annie Besant,1913 **The Calvinistic and Socinian Systems Examined and Compared, as to Their Moral Tendency; in a Series of Letters, Addressed to the Friends of Vital and Practical Religion. The Second Edition. With Corrections and Additions** Andrew Fuller,1794 **To Battle for God and the Right** Emerson Opdycke,2010-10-01 Emerson Opdycke a lieutenant with the 41st Ohio Infantry and later a commander of the 125th Ohio Volunteer Infantry won fame at the Battle of Franklin when his brigade saved the Union Army from defeat He also played pivotal roles in some of the major battles of the western theater including Chickamauga Chattanooga and Missionary Ridge Opdycke s wartime letters to his wife Lucy offer the immediacy of the action as it unfolded and provide a glimpse into the day to day life of a soldier Viewing the conflict with the South as a battle between the rights of states and loyalty to the Union his letters reveal his dislike of slavery devotion to the Union disdain for military ineptitude and opinions of combat strategies and high ranking officers A thorough introduction by editors Glenn V Longacre and John E Haas and a foreword by Peter Cozzens provide additional historical context and biographical information **Fear and Trembling: A New Translation** Søren Kierkegaard,2021-11-30 This newly translated Fear and Trembling a foundational document of modern philosophy and existentialism could not be more apt for our perilous times First published in 1843 under the pseudonym Johannes de silentio John of Silence S ren Kierkegaard s richly resonant Fear and Trembling has for generations stood as a pivotal text in the history of moral philosophy inspiring such artistic and philosophical luminaries as Edvard Munch W H Auden Walter Benjamin and existentialist Jean Paul Sartre Now in our era of immense uncertainty renowned Kierkegaard scholar Bruce H Kirmmse eloquently brings this classic work to a new generation of readers Retelling the biblical story of the binding of Isaac Fear and Trembling expounds on the ordeal of Abraham who was commanded by God to sacrifice his own son in an exceptional test of faith Disgusted at the self certainty of his own age Kierkegaard investigates the paradox underlying Abraham s decision to allow his duty to God to take precedence over his duties to his family As Kierkegaard s narrator explains the story presents a difficulty that is not often considered namely that after the ordeal is over and Isaac has been spared at the last moment Abraham is capable of receiving him again and living normally even joyfully for the rest of his days Almost inexplicably Abraham had faith and did not doubt Deftly tracing the autobiographical threads that run throughout the work Kirmmse initially in his lucid and engaging introduction demystifies Kierkegaard s fictive narrator Johannes de silentio drawing parallels between Abraham s willingness to sacrifice his son and the author s personal sacrifices Ultimately however Kirmmse reveals Fear and Trembling as a fiercely polemical volume designed to provoke the reader into

considering what is actually meant by the word faith and whether those who consider themselves true believers actually are. With a vibrancy almost never before seen in English and a matchless grasp of the intricacies of Kierkegaard's writing process, Gordon Marino here definitively demonstrates Kierkegaard's enduring power to illuminate the terrible wonder of faith.

FEAR AND TREMBLING - S. Kierkegaard Søren Kierkegaard, 2024-02-07 Søren Aabye Kierkegaard born in Copenhagen in 1813 and deceased in 1855 was a Danish philosopher, theologian, poet, and social critic widely regarded as the first existentialist philosopher. Throughout his career, he wrote critical texts on organized religion, Christianity, morality, ethics, psychology, and philosophy of religion, showing a particular fondness for figures of speech such as metaphor, irony, and allegory. The work *Fear and Trembling* is one of the most well-known and esteemed among Søren Kierkegaard's vast production. In this work, Kierkegaard does not deny his Christian past; rather, he asserts that this religious doctrine must be internalized by the individual according to their own subjective demands. The analysis contained in *Fear and Trembling* is based on parameters that are still fully relevant for contemporary reflection on religious conduct.

Life Truths; Being Discourses on Christian Doctrine and Duty William Mackergo Taylor, 1862 **The New Whole Duty of Man** Richard Allestree, 1792 *'Our bounden duty', a book of instructions and devotions, compiled by a priest* Our bounden duty, 1901
