For God And Country Foundations Of Faith:

Foundations of Faith Alton H. Howard,1993-04 From the origin of the Bible to the patriarchs of the Old Testament through the basic Christian doctrines this study of the Christian faith will bolster the faith of longtime believers and provide answers and understanding for new Christians The Foundations of Faith Henry Wace,1881 FAITH AND FOUNDATION Robin Dinnanauth,2015-04-07 This book will help you grow in God strengthen your faith and build a sure foundation as a believer in Christ The Bible compares the life of a believer to the construction of a building For we are labourers together with God ye are God s husbandry ye are God s building 1 Corinthians 3 9 Each believer is united in Christ with other Christians from the Church The Bible also compares the Church to a building In whom ye also are builded together for an habitation of God through the Spirit Ephesians 2 22 So to build you need a good foundation A foundation is a natural or prepared ground or base on which some structure rests It sthe beginnings or first principle of a system of truth Luke 6 46 49 When you come to Jesus Christ and hear and does what he says you build a foundation on a rock so when trouble comes your life will not be shaken So lay a foundation on the rock and dig deeply into the things of God which is normally hidden and above man s scrutiny **A Foundation for Your Christian Faith** Holly Stepanian,2008-12 Have you read a lot of books but still don t feel you have a Solid Christian Foundation Prepare yourself to learn a lot in a short amount of time This book A FOUNDATION FOR YOUR CHRISTIAN FAITH will help you do that A building needs a strong stable and secure foundation or it will tumble and fall Your faith also needs a Foundation that is solid and strong or you might never reach the heights God intends for you to reach This book will give you this solid foundation You will find answers to such questions as What is Salvation What is the Trinity How can I grow faster as a christian Is the Bible reliable What is the chronological order of the Bible How does the Bible fit together What is God s plans for my life How did God make me and much more So much of what you ve been looking for and searching for and reading in lots and lots of books are all here right between the covers of this one This book is good for individuals and churches The charts and facts in the WORKBOOK are invaluable to have in your possession Share them It s exciting being a Christian and my prayer for all of us is that as we study and learn more and more about God we will fall in love with Him over and over deeper and deeper each and every day Holly Stepanian has been in ministry for 30 years She has taught Bible studies Woman s groups Youth groups and Foundations Classes She was an assistant pastor in Hawaii for 13 years Currently she is living with her family in Kaneohe Hawaii and is still involved with ministry at her church Hope Chapel She has a heart for God and teaching God s Truths **Cumulative List of Organizations Described in Section 170 (c) of the Internal Revenue Code of 1986** ,1987 **Cumulative List of Organizations Described in Section 170 (c) of the Internal Revenue Code of 1954** ,2003 **Faith and Action** R. J. Rushdoony,2019-08-26 Faith and Action is the complete collection of the essays of R J Rushdoony written for the Chalcedon Report between 1965 and 2001 along with several transcripts of his recorded talks The large volume The Roots of

Reconstruction only contained his Chalcedon Report essays up until 1985 so most of the essays included in Faith Action were unavailable to readers for many years until now In order to make the author s knowledge more accessible this three volume collection features some of the most extensive indexing we ve ever done including a General Index a History Index a Scripture Index a Works Cited Index and a Chalcedon Report Directory A total of 183 pages of indexing This handsome set of books is a must have for any serious library The central theme of this collection of essays is Christian Reconstruction which to Rushdoony meant the responsibility of Christian citizenship in the Kingdom of God For him his central drive behind his research and writing was to move men to faith and action Rushdoony was primarily an essayist who vigorously and prolifically wrote on a multiplicity of subjects issues and disciplines Despite his being critical of both the contemporary church for its compromise and the humanistic state for its will to be as God these essays are replete with Rushdoony s undying faith in the victory of God in history Rushdoony s big idea was Christian Reconstruction which centered not on a pursuit of political power but rather an equipping of Christians to take back government by means of self government in terms of God s law This three volume collection will no doubt serve the larger church for many generations as they seek first the Kingdom of God in their spheres and in their times
